Drawn from the modern-day classic, Think and Grow Rich -- this new edition dives deeper into the 5 core secrets that have shown the greatest success. With these 5 lessons, you have the power to change your life and set you upon the path of learning and self-development. Originally published in 1937, Napoleon Hill draws on stories from Andrew Carnegie, Thomas Edison, Henry Ford, and

more than 500 other men of great wealth to demonstrate his moneymaking philosophies. With simple and practical techniques, Hill teaches that great and lasting success is possible with nothing but thoughts, ideas, and organized plans. This two-in-one volume contains "The Strangest Secret" by Earl Nightingale and "Think and Grow Rich" by Napoleon Hill. Those who follow these texts will find that the floodgates of abundance will open and pour out riches.

### The Strangest Secret Sound Wisdom

There are very few people alive who have invested more time studying success than Bob Proctor. He has spent almost all day, every day, for thirty-three years analyzing success. Over the years, he has had many failures, but has also had numerous exciting wins on many continents around the world with millions of dollars involved. The wins and the failures have both proven to be extraordinary personal learning experiences. These are the core lessons that Bob has learned and mastered throughout his illustrious career of dedicated study, rigorous application, trial and error, and, of course, BIG wins. When it comes to systematizing life, no one else can touch him. He is simply the best. Let Bob lead you through his 12 principles for finding success. Instantly apply them to your own life. It will begin to impact you long before you reach the last chapter. Let Bob teach you about: CONFIDENCE PERSISTENCE GOALS SUCCESS

ATTITUDE COMMUNICATION ACTION DECISION RISK RESPONSIBILITY

MONEY CREATIVITY There are a few people who are truly successful and many others who work hard all of their lives attempting to be successful. As a result, the average person believes that success is hard to obtain and that those who achieve it are either lucky or extremely brilliant. Most people are so busy attempting to make ends meet that they never take the time to really study the highly successful people. Every person who has made such a study has arrived at the same shocking conclusion: success is merely a decision. You must decide what you want and then begin moving toward it. You decide where you are, and you begin with whatever you have. That's it. "The only limits in our life are those that we impose on ourselves." - BOB PROCTOR

The one-and-only original, Earl Nightingale's Strangest Secret endorsed by Nightingale Conant. The Strangest Secret is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: "The only man who succeeds is the man who is progressively realizing a worthy ideal." In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. The Strangest Secret is a practical guide for accelerated prosperity so that you can quickly rise to the top

becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's *Think and Grow Rich* that "we become what we think about," Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.

In this exciting book, the renowned author of *THINK AND GROW RICH*, Napoleon Hill, reveals his latest discoveries about getting what you want--and making the most of it. Here, in simple, readable language, are the foolproof techniques for achieving the power to earn money and to enjoy genuine inner peace. You will learn: how to succeed in life, succeed in being yourself; how to develop your own healthy ego; how to win the job you want--and keep going upward; how to turn every challenge into a new success, and more.

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

Do you feel like you're merely surviving each day, doing everything you can just to make it through your daily routine? In Transformational Living, Earl Nightingale will help you go from the modern limbo of "survival" to exuberant living by teaching you the cognitive reframing techniques necessary to approach life with positivity, curiosity, and gratitude. Once you overhaul your mindset by discovering how to remain excited about all your endeavors, you will realize that there is no such thing as an unsurmountable obstacle and no reason to be negative or downtrodden when you encounter what you perceive as failure. You'll see that your opportunities are often in exact proportion to your problems--you simply have to transform your outlook to identify the conditions for success already present in your life. This collection contains some of the greatest messages ever delivered on the subject of success psychology. Having spent decades studying what separates high achievers from the rest of the population,

Nightingale understood the crucial role that self-actualization plays in an individual's ability to attain goals, form relationships, build wealth, and find lasting happiness. In this life-changing volume, you'll learn how to: Harness the power of language to change your outlook; Use visualization techniques to enlarge your self-image; Regain enthusiasm through learning and goal-setting; Overcome two of the most destructive forces in life--fear and worry; Embrace the therapeutic effect of daydreaming and laughter; Make friends and be an impactful leader; And much more. NAPOLEON HILL was an American self-help author. He is best known for his book *Think and Grow Rich* (1937), which is among the 10 best-selling self-help books of all time. It offered his “secret” for achievement and insisted, like all his books, that fervid expectations are essential to achieving success and improving one’s life. His Master Course was developed to help change the lives of people throughout the country.

Using biblical, historical, and contemporary examples of brokenness, this practical and theoretical look at the process of being spiritually broken as a part of God's character-building process shows that true servanthood is not built on skills or position, but on those very character traits God has built through brokenness.

You will find the people in *The Path to Riches* who, like family, will guide you in the direction of your search.

*Think and Grow Rich* was written in 1937 by Napoleon Hill promoted as a Personal development and self-improvement book. He writes that he was inspired by a suggestion from Business magnate and later-philanthropist Andrew Carnegie.

It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009, and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African-American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven year study of 1,000 of the wealthiest African Americans, *The Wealth Choice* offers a trove of sound and surprising advice about climbing the economic ladder, even when the odds seem stacked against you. Johnson, Spike Lee, L. A. Reid, Herman Cain, T. D. Jakes and Tyrese Gibson found their paths to wealth; what they did or didn't learn about money early on; what they had to sacrifice to get to the top; and the role of discipline in managing their success.

Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to:

- Develop a wealth-generating mindset and habits
- Commit to lifelong learning
- Craft goals that match your passion
- Make short-term sacrifices for long-term gain
- Take calculated risks when opportunity presents itself

This new edition of *How to Raise Your Own Salary* is filled with foolproof techniques for acquiring the knowledge and skills for increasing your share of life's riches. The detailed dialog between Andrew Carnegie and Napoleon Hill will mesmerize you with its message. Simultaneously, this classic work will stimulate your subconscious mind to put into immediate operation your desire for individual achievement. This book will teach you how to:

- Win riches, power, and prestige.
- Discover how to set your own goal in life and achieve it.
- Make life pay you for your personal efforts.
- Uncover Andrew Carnegie's entire secret of success.
- Retrace step by step the principles of achievement that lifted Carnegie to a position of great affluence and wealth.
- Achieve the right mental attitude that places you on the next rung in your ladder to success.
- Manifest success in your day-to-day life.

P. T. Barnum, the great American showman of the 19th century, wrote this short book

about making and keeping money. He certainly had life experiences that qualify him for the subject--he started a small newspaper in his twenties, bought and transformed a museum into a showplace for curiosities, built a circus empire that gave performances in America and Europe, promoted a performing tour of a singer, fell into debt in the 1850s and pulled himself out by lecture tours, was a mayor, and founded a hospital. Excerpts: "Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. ... True economy consists in always making the income exceed the out-go." "Unless a man enters upon the vocation intended for him by nature, and best suited to his peculiar genius, he cannot succeed. I am glad to believe that the majority of persons do find their right vocation. Yet we see many who have mistaken their calling..." His advice is indicated by the chapter titles: DON'T MISTAKE YOUR VOCATION, SELECT THE RIGHT LOCATION, AVOID DEBT, PERSEVERE, WHATEVER YOU DO, DO IT WITH ALL YOUR MIGHT, USE THE BEST TOOLS, DON'T GET ABOVE YOUR BUSINESS, LEARN SOMETHING USEFUL, LET HOPE PREDOMINATE, BUT BE NOT TOO VISIONARY, DO NOT SCATTER YOUR POWERS, BE SYSTEMATIC, READ THE NEWSPAPERS, BEWARE OF "OUTSIDE OPERATIONS", DON'T INDORSE WITHOUT SECURITY, ADVERTISE YOUR BUSINESS, "DON'T READ THE

OTHER SIDE", BE POLITE AND KIND TO YOUR CUSTOMERS, BE CHARITABLE, DON'T BLAB, PRESERVE YOUR INTEGRITY.

Your possibilities for success are endless. Success is a shapeshifter. Its form changes with the wind, and it cannot be caught or tamed. Often, it feels utterly unattainable. But rather than putting "success" in a box, claiming there's only one path to achieve it, Napoleon Hill has proven in his work that the one thing you really need to succeed is simple: You. You may be asking questions like these: - Can you actually change what you think about? - Do positive thoughts create a positive personal environment? - By being critical of anything or anyone around you actually improve conditions? - Is your health affected by negative thinking? You'll find continuing instances of how this is true and how it might not be. You'll be "haunted" by this singular thought, although the results won't make you lose sleep - instead, you'll awake with fresh inspirations from time to time about how to live your life even better than you are now. Because you've just started on a journey which has no definite end. And Earl Nightingale once said: "Start today. You have nothing to lose - but you have your whole life to win."***

***This is a collection of Earl Nightingale's writings, broadcasts, and conversations on various aspects of personal development.***
