and selected open access locations. This volume sets out to re-examine what ancient people - primarily those in ancient Greek and Roman communities, but also Mesopotamian and Chinese cultures - thought they were doing through divination, and what this can tell us about the religions and cultures in which divination was practised. The chapters, authored by a range of established experts and upcoming early-career scholars, engage with four shared questions: What kinds of gods do ancient forms of divination presuppose? What beliefs, anxieties, and hopes did divination seek to address? What were the limits of human 'control' of divination? What kinds of human-divine relationships did divination create/sustain? The volume as a whole seeks to move beyond functionalist approaches to divination in order to identify and elucidate previously understudied aspects of ancient divinatory experience and practice. Special attention is paid to the experiences of non-elites, the perception of divine presence, the ways in which divinatory techniques could surprise their users by yielding unexpected or unwanted results, the difficulties of interpretation with which divinatory experts were thought to contend, and the possibility that divination could not just ease, but also exacerbate, anxiety in practitioners and consultants.

The much-anticipated, thrilling conclusion to Moira Young's Dust Lands trilogy. When the star reader, Auriel Tai, challenged Saba to seize her destiny and defeat DeMalo and the Tonton, Saba was confident in her purpose. Then she met DeMalo and he confounded all expectations with his seductive vision of a healed earth, a New Eden. DeMalo and Saba had an intense and passionate encounter - physical, emotional and psychic - that changed her life, and now he wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world...for the chosen few. Jack's choice is clear: to fight DeMalo and try to stop his dangerous New Eden project. Still uncertain, her connection with DeMalo a secret, Saba commits herself to the fight. Joined by her brother Lugh, anxious for the land in New Eden, Saba leads an inexperienced guerilla band against the powerfully charismatic DeMalo, in command of his settlers and the Tonton militia. What chance do they have? Saba must act. And be willing to pay the price.

Road Rage By: Gennaro Lombardi We all know how stressful driving can be at times, but

some of us know how to control our frustration. For others, the Road Ragers, the struggle can be a bit more difficult. Author Gennaro Lombardi knows all too well what it's like to be a Road Rager. He explains his real-life struggle in many different and in-depth ways, showing just how serious road rage can be and what causes it. In a motivational and comedic style, Road Rage: at Its Finest helps Road Ragers learn about road rage so we can beat this issue.

A NATIONAL BESTSELLER A NEW YORK TIMES NOTABLE BOOK AN NPR BEST BOOK OF THE YEAR ONE OF JANET MASLIN'S MUST-READ BOOKS OF THE SUMMER A NEW YORK TIMES EDITOR'S CHOICE ONE OF OUTSIDE MAGAZINE'S BEST BOOKS OF THE SUMMER ONE OF AMAZON'S BEST NONFICTION BOOKS OF THE YEAR SO FAR "A powerful and affecting story, beautifully handled by Slade, a journalist who clearly knows ships and the sea."—Douglas Preston, New York Times Book Review "A Perfect Storm for a new generation." —Ben Mezrich, bestselling author of The Accidental Billionaires: The Founding of Facebook On October 1, 2015, Hurricane Joaquin barreled into the Bermuda Triangle and swallowed the container ship El Faro whole, resulting in the worst American shipping disaster in thirty-five years. No one could fathom how a vessel equipped with satellite communications, a sophisticated navigation system, and cutting-edge weather forecasting could suddenly vanish—until now. Relying on hundreds of exclusive interviews with family members and maritime experts, as well as the words of the crew members themselves—whose conversations were captured

by the ship's data recorder—journalist Rachel Slade unravels the mystery of the sinking of El Faro. As she recounts the final twenty-four hours onboard, Slade vividly depicts the officers' anguish and fear as they struggled to carry out Captain Michael Davidson's increasingly bizarre commands, which, they knew, would steer them straight into the eye of the storm. Taking a hard look at America's aging merchant marine fleet, Slade also reveals the truth about modern shipping—a cut-throat industry plagued by razor-thin profits and ever more violent hurricanes fueled by global warming. A richly reported account of a singular tragedy, *Into the Raging Sea* takes us into the heart of an age-old American industry, casting new light on the hardworking men and women who paid the ultimate price in the name of profit.

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, the *Register of Debates in Congress (1824-1837)*, and the *Congressional Globe (1833-1873)*

!-StartFragment-- In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. Joyce Meyer teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks. And she shares the trials, tragedies, and ultimate victories from her own marriage, family, and ministry that led her to wondrous, life-transforming truth--and reveals her thoughts and feelings every step of the way. There was a time when I aimed my camera at Dad like a gun, slowly, breathlessly, pulling the trigger on my Boogeyman who sat there innocent as a child, unpredictable as a madman, unaware of my effort to capture him on film. So says Katie, in the gripping novel, *A View from the Buffalo Tree*, which is about one woman's triumph over a childhood clouded with dark secrets. Under the gnarled branches of the Buffalo Tree, Katie weaves a passionate, hard-hitting, family saga of mental delusions and dark taboos. All the while she strives to overcome grief with humor and grit. *A View From the Buffalo Tree* blooms with woven themes of love and loss, good and evil, faith and forgiveness.

In 3525, with the threat of people learning they have dodged their deathdays, three teenagers must flee their planet to survive.

An affectionate portrait of the man who started it all "With this graceful homage to Bill Buckley, two people who have known the pleasure of his company as friends and colleagues place him where he incontestably belongs--at the center of the conservative political movement that moved the center of American politics to the right." --George F. Will, *Newsweek* "Strictly Right paints an intimate and penetrating portrait of the elegant and multifaceted figure who has helped to add a new dimension to the American political canvas." --Henry A. Kissinger "Bill and I and others have been good friends for almost sixty years and I thought I knew of his life as well as anyone, but Linda and John have brought the events together in a magnificent story that surpasses all that we have absorbed. If you like and admire Bill, you must read this. If you don't, read it anyway--it will be good for you." --Evan G. Galbraith, former Ambassador to France and Chairman of *National Review* "Linda Bridges and John Coyne evoke the true old times, when every morning brought a noble chance, and every chance brought out William F. Buckley Jr., ready to write, speak, question, provoke, tease, or praise, in print, in person, or on the tube, as required. All honor to him, and to the authors who capture him in these pages." --Richard Brookhiser, author of *What Would the Founders Do?: Our Questions, Their Answers*
