

A Practical Guide To Dating And Finding Your Soul Mate

Butta 'Fly' Jonez follows up her first release, "How to be a Female Player" with this powerful and informative workbook. "Date Rich, Marry Well" is a step-by-step guide to defining, creating and maintaining lasting relationships with wealthy men. Using techniques perfected over 7 years, Butta 'Fly' Jonez (a world-reknown dating strategist) teaches women how to date rich and marry well. If you've ever dreamed of meeting and marrying a 6 or 7 figure-earning man, this is the book for you. Ladies, peep Game!

Polyamory The Practical Guide Of Dating And Open Relationships Everyone needs relationship advice. In today's society, dating has become a crazy place to be. There is so much going on that people are beginning to join dating websites and consulting psychics. There is a lot of information that needs to take place in the world in which we are living in today. If you are looking for advice about open relationships, then the easiest place for you to look is in this book. You are going to understand all the essential information to keep in mind as you enter into an open relationship at any stage of your life. Some people who visit the internet do so because they are searching articles for a particular idea that they have in mind. You can find out a lot right now with what you have inside of yourself in this book. People try to get relationship advice from their friends and family as well. It's important for you to understand that relationship advice is something that, so few know truly anything about. It's important to note that relationship advice has its advantages. You have to be willing to open yourself up to an understanding about dating before you can take the full benefits of the dating scene. Just keep in mind that a good relationship has a lot to do with what you truly want inside of yourself. People from all walks of life will be able to tell you that a good relationship has a lot to do with what you are putting into it.

There's no such thing as a workplace without social interactions - it's natural for people and departments to achieve their work goals by forging professional bonds with others. In this book, you'll learn about the dynamics of office politics as well as approaches to dealing with a political work climate. You'll also learn how to recognize key peers and how to build and maintain strategic professional relationships with your peers. If you're serious about advancing your career, you need a professional network of people to help you get there. Building and maintaining a solid network of contacts requires active participation. To succeed, you'll need to hone your communication skills, have the right attitude, and practice the right habits. In this course, you'll learn about the benefits of a business network, how to create networking opportunities and build rapport with new contacts, and how to maintain your business contacts. The relationship between you and your boss is a key factor in your work career. A good relationship with your boss will make your job more enjoyable. You'll find that to work more effectively with your boss, you need to develop a rapport. In this book, you'll learn the importance of a healthy employee-boss relationship, ways to build a great relationship with your boss by recognizing their agenda and management style, as well as how to communicate and give feedback.

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Good men are everywhere, and they are searching for terrific women. So why are they hard to find? And why do so many women make life-altering mistakes by choosing the wrong men? The answer is distressingly simple. Good men don't always know how to attract women, and women don't always recognize good men. But don't despair! The Practical Guide to Men holds time-tested wisdom for spotting good men who are searching for great relationships. You'll learn...* The three pillars of a good man. Men of character possess these basic traits.* The twelve-point man inspection. These questions will help you evaluate his relationship readiness.* Ten self-deceptions that lead to costly relationship errors. Find out how to avoid common mistakes women make when choosing men. Written by a happily married man who is also a clinical psychologist, The Practical Guide to Men is a celebration of romance, and it's the perfect guide to finding love in these complex times.

This book is a concise sociological and practical guide with illustrations on how to deal with love, romance, courtship, and dating. It provides some sociological and empirical insights and practical tips that can help lovers, romantics, and couples in understanding the nature of the complex realities of infatuation, romance, unhealthy relationship, courtship, dating, and true love. It has four parts. The first part explains the dynamics of falling in love, romantic attraction, and compatibility in finding a partner using the social science perspective, particularly that of sociology. It aims to distinguish true love from infatuation. It also explores the physical and cultural factors that make people fall in love. The second part

examines the nature of courtship: The role of men and women in courtship, some effective strategies in courtship, and the major factors that determine compatibility in courtship. The third part examines the different forms of "unhealthy" or unconventional love and relationship. It provides some signs and indicators if the relationship is abusive or cooling off. The last part deals with the cultural and social aspect of dating. It explores some do's and don't's in dating: What satisfies or turns off people in a date and how to handle them. It is hoped that through this book, the reader will become more empirical, critical, and realistic in dealing with romantic relationship, courtship, and dating, and thus become more mature individuals in society.

Why can't I get a guy to like me? Should I hook up with him? How can I make this relationship work? While young women today are more savvy and independent than ever, most still want a partner--someone to share a romance with, or maybe even a lifetime. But all too often, their relationships crash and burn. This empowering guide shows women how to shift focus, so instead of trying to be what he wants, they can figure out what they need to be happy and fulfilled--and whether he has what it takes. Vivid, realistic stories of diverse women in their 20s are interwoven with evidence-based tools designed to help readers build confidence and achieve their goals. An exciting, caring, and respectful relationship is possible--here's how to take control and make it happen.

Be Affected charges young men, especially in the Church, to embrace the value of dating as an aspect of divine image-bearing and offers practical advice on how to do it well. Written from the perspective of a young, single Christian man, this book offers a theological explanation of the importance and goodness of dating, highly-practical advice on asking for and planning effective dates, and honest encouragement for when things don't go as planned. From the Introduction: Books about dating all face one of two problems: either the author is married, or the author is single. In the first case, it's too easy to think 'Well sure, that approach worked for you, but that's just one story.' What if the married author has fallen out of touch, and he or she doesn't understand how things are these days? In the case of a single author, even more doubts arise: 'How can I be sure whether any of this works, if it hasn't worked out for you?' That kind of thinking assumes that the goal of dating is finding a spouse, which is true. However, even though the ultimate indicator of success in dating is marriage, there are plenty of ways to be successful without yet having found a spouse. This book will detail some of those ways. This very small book is meant as a practical guide to the early stages of dating. To maintain its usefulness, I will try to keep explanations brief and advice blunt. I write from my own experience and perspective--that of a young, single, Christian male--so this book is written primarily to young, Christian men. (That said, I feel non-Christians and females may still benefit from reading sections of this book.) I write as one who is still trying. Nobody wants to be good at first dates, because that means the dates aren't working! It's much better to get in the game, find who you're looking for, and get out, without having a lot of practice. But in terms of exploring compatibility with a number of women for whom I have much admiration and respect, I'd say I'm doing okay. I rarely avoid anyone out of embarrassment, and I have gained friendship with several awesome ladies. I can be honest, though, in saying I'd still prefer a wife over a number of new friends. With this being a book of mostly practical advice (with some theology thrown in to back it all up), I think of it as an "80%" book: it will work for about 80% of the intended audience about 80% of the time. "But," you say, "I don't want an '80%' relationship! I want something special!" My expectation is that what makes a relationship special is how it sneaks up and surprises you, and how it changes what makes sense to you and what doesn't. Even walking intentionally toward a dating relationship, I fully expect to be surprised by love. This book will attempt to cover part of the walking. There can be no pride in writing from a place where I'm still walking. I'm merely trying to make more peace for people like me. I see a lot of trouble and conflict in my generation from avoidable mistakes in dating. I see just as much trouble and conflict, if not more, from a fear of dating, especially among young people in the Church. I have hope that sharing my little experience may add to someone's peace and make life simpler for my young friends and for me. In truth, you have probably already heard much of the wisdom contained in this book. It's a lot of common sense. The advice contained in this book is mostly simple, but I'm not foolish enough to call it easily-executed. Dating is hard! It takes guts, and work, and planning. It takes vulnerability and effort, and even effort to be vulnerable. But we don't want dating to be easy, we want dating to be worth it. I see the difficulty in dating firsthand on a somewhat regular basis, and for now, I see that difficulty as a very good thing. I hope that in addition to a book of advice, this would be an encouragement to my friends to face the difficulty of dating, to date boldly and to date well.

This Book in for... -- Men who are seeking a relationship and would like a roadmap for their journey -- Men who are in a relationship and are trying to determine their next step -- Men who are trying to make some of the most important personal decisions of their lives -- Women who want to understand a man's perspective on dating This lively, informative book addresses the realities of dating today! Joe Jablonski offers the busy, professional man a new approach to an age-old problem. Learn to make decisions and take action to enhance your quality of life. This book shows when you are on track to a meaningful, long-term commitment with a life-partner and when when it is time to call it quits and move on. Whether you are looking for "Ms. Right" or "Ms. Right Now", this book is for you. If you are new to dating, this is the only book you'll need to get started on a successful path. If you're already involved in a relationship, this book will serve as an invaluable resource. It sheds light on where you are in the relationship, helps you understand what a logical next step might be, and more importantly, provide valuable insight into what your partner is thinking.

Whether you are male, female, heterosexual, bisexual, transsexual, or transgender, this book can help you realize the full potential in any type of relationship, by helping you understand how to have the courage to live in your truth and accept the truth of others unconditionally. The Best Relationship Advice Ever: 20 Tips for Relationships Relationship Advice: 15 Relationship Experts Teach Us About What are the 5 most important things in a relationship? Whether you are male, female, heterosexual, bisexual, transsexual, or transgender, this book can help you realize the full potential in any type of relationship, by helping you understand how to have the courage to live in your truth and accept the truth of others unconditionally.

This book is basically from your virtual bestie! Author Mimi T provides a clever breakdown on how to spot a f**kboy in this dating guide aimed to keep you one step ahead of any loser that you are dating or in a relationship with. In 35 simple to read and hilarious chapters, you will be able to spot a f**kboy in 3.2 seconds by the time you finish reading this guidebook. The best part is that you can always go back to chapters and refresh yourself whenever a guy starts to show any of the 35 f**kboy behaviors! This dating guide even includes real-life examples of f**kboy behaviors AND Author Mimi T has also incorporated real-life f**kboy commentary from her guy friends who are current and former f**kboys! This guidebook definitely an essential read to anyone that is or wants to be in a relationship.

A "must-read" (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, "Why has everyone found love except me?" You're not the only one. Great relationships don't just appear in our lives—they're the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn't lead to results. You have to actually change your behavior. Ury shows you how. This "simple-to-use guide" (Lori Gottlieb, New York Times bestselling author of Maybe You Should Talk to Someone) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You'll learn: -What's holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn't) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why "the spark" is a myth (but you'll find love anyway) This "data-driven" (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. How to Not Die Alone will help you find, build, and keep the relationship of your dreams.

Few topics are more difficult for parents to discuss with their daughters than dating and relationships. Due to their lack of knowledge about the world their teens face coupled with the scant dating information they received as teens, many parents feel ill-equipped to guide their daughters through the minefield that is teen dating. In The 10 Myths of Teen Dating, this father and daughter team combines the latest scientific research with poignant, personal stories to help parents engage their daughters in wise conversations. Weaving in solid biblical truths with practical application and discussion starters, Daniel and Jacquelyn seek to equip parents to teach their daughters how to date for today ... and tomorrow.

Have you ever wondered what kind of people meet their dates on the Internet? You probably think that they are either stalkers or computer geeks, and no one in their right mind would go out with someone from a personals ad. In truth, the Internet is an amazing resource that allows some of the most well educated, intelligent and personable singles to meet and develop quality relationships. These days people go online to order groceries, find a job, get directions and sell old textbooks. And more and more, people are realizing that they can use the Internet to find a great relationship. If you can turn on a computer, you can follow this easy step-by-step formula from getting online to finding the best web sites to writing an irresistible ad. Written by an MSW with a degree in interpersonal relations and a computer expert, the authors show you how to maximize your chances of finding love online.

"Own that Guy in 60 days" is quite unlike any of the dating self-help books currently on the market. It offers a fresh new perspective on the age old problem of dating. Rather than being written by "experts by training" who shroud their advice in complex dating and psychological theories, Blake Lavak has written an informative book from the unique position of an "expert by experience." This subtle change in author position, results in a potent and compelling book which is based on his own dating experiences, observations and interpretations. Blake captures the attention of the reader from the start, by writing in an honest, open and humorous way about his dating experiences and observations. He presents a book which is thought provoking, stimulating and motivating. He shares the dating strategies and methods which have been tried and tested by women throughout the ages and brings them to life through four women he considers to be skilled at the dating game. The book challenges prevailing

dating advice, which suggests that women take a passive, rather than active, approach to dating. In his book, Blake directly addresses the modern day women's basic confusion which arises from mixed social messages regarding feminism and masculinity. Modern women are encouraged to be masculine in business which equates to being bold, brave and direct, and feminine in their romantic life which equates to being passive, docile, amenable and patient. Blake empowers women to have the confidence to use all of their strengths through interactions containing both feminine and masculine traits, to ultimately get and keep the man of their dreams. In a novel approach, Blake presents both the successes and misfortunes associated with employing the dating techniques he describes. This allows the reader to decide for themselves how they may adapt and employ the techniques. Blake suggests that women who are successful are bold, but that they are simultaneously subtle and thoughtful in how they do it. Some of the techniques Blake describes may appear shocking and provocative, but the psychological and emotional impact they have on men are real, powerful and long lasting. If practiced, the principles contained within his book will encourage you to proactively engage and connect with the dating process differently. If you are unsatisfied with your current dating experiences and achievements, and want to have a dating experience which ends up with the results you want this is the book for you. Dr Imara Hurlingham April 2014

Dating Backwards is a fresh look at some old concepts along with some common sense ideas about dating. It is a path to discover the extraordinary person you are and who will best be your extraordinary partner in life. This book will help you identify the different types of love, introduce you to the concept of the Four Cornerstones of Relationships and show many of the mistakes people continually make as they search for and enter into relationships. The principles in this book are designed to help singles from 18 to 80 and beyond. The journey begins with determining what type of relationship you want and then you will be guided in developing your "Must Haves" list. This list is the discovery of characteristics which results in the best relationship for you. We help you uncover the "Deal Breakers" which guides you away from repeating the same mistakes over and over. You will learn to identify your personal Red Flags that are warnings signs which provide you protection and guidance in choosing a potential mate. You will find guidance to help you to determine and discover what qualities you have to offer to a potential mate and uncover any qualities you possess that may be "Deal Breakers" to others. We all carry baggage in life and into a relationship. What is packed in your bag? Do you bring family issues? Do you bring issues from past relationships? Common questions answered are: How soon should you date after a divorce? What about dating after the death of a spouse? Do you have children and what is the impact of dating on them? How do you prepare your family for you entering back into dating? Then there are the extended families. How do you and your potential mate get along with each other's extended family? What about exes and their extended families. How will all of these potential relationships affect your relationship with your soul mate? These questions are covered and more.

Extraordinary communication is extremely important in a relationship. This book will help you with a basic understanding of verbal and non verbal communication. Open communications on topics that can be difficult to discuss are addressed. Topics like; How do you handle money? Physical intimacy, food, music, household chores, hobbies, spare time are just a few of the topics that require excellent communication. Finally, we discuss dating, where to look, and how to present or market yourself to find a potential mate. We also review Respect, One Sided Romance, Physical Intimacy and Loneliness among other situations that can occur while on your journey to seek your soul mate. This book is the culmination of many years of education (both formal and informal), observation, personal experience and prayer. God has blessed Rick and Penny by bringing them together to create this work. There is also some other very good information available and some of it we even recommend as additional resources to our readers. The key is to find what works for you. Hopefully you will gain some practical information that will help turn your unsuccessful dating and decision making habits into an extraordinary relationship. Our society has neglected, ignored and drifted away from the use of this practical information for more than 50 years. It is our grandest hope that this book will help at least some of our readers make better dating (and life) decisions and start Dating Backward.

Online dating is not all fun and games and there are a lot of things that a person has to know about online dating before one gets into the intricacies of it. Online dating may seem to be the simplest thing in the world but it is not. It should be viewed in all earnestness or things could go haywire. Every game has its rules and unless you know all the rules you just can't become a good player and eventually a winner. This book will make you learn all the important rules of online dating and help you to become a highly successful player the online dating game which will result with more fun and great time in your life, new relationships, new people or anything else what you want to achieve from online dating. In this book you will learn everything important for successful and safe online dating, from how to find potential partners and how to create your successful online profile to how to meet with your partner in the real world. You will also get a lot of proven, tested and useful advice and information about online dating and all the things you should know and use. I strongly believe that online dating advice section of this book is one of the richest one if compared to all other sources of information about online dating and similar books on this subject.

THIS CONTROVERSIAL APPROACH TO DATING HAS GIVEN THOUSANDS OF SINGLE WOMEN EVERYTHING THEY NEED TO ATTRACT ROMANCE, INTIMACY, AND A MARRIAGE PROPOSAL. Surrendered Single doesn't have to look for Mr. Right -- she attracts him. The principles presented in The Surrendered Single are simple: When you try to control who asks you out and when a man will call, or if you try to corner him into a commitment, you drive him away. When you let him woo you instead, you enjoy the pleasure of being pursued. You feel confident and feminine. Dating becomes fun again. Marriage follows. You stop going it alone. Practical and compassionate, The Surrendered Single is a step-by-step guide that shows you how to: **ASK MEN TO INVITE YOU OUT SO THAT YOU ALWAYS HAVE A DATE AVOID THE REMORSE OF "I WISH I HADN'T SAID..." BECOME YOUR BEST SELF AND ATTRACT GOOD MEN** Whether you're recovering from a breakup or a divorce, are on the dating scene, or want your romance to deepen, The Surrendered Single will bring you the relationship you desire with a man you love -- and who loves you.

Girls, as you know, online dating is no longer the preserve of geeks and freaks. The ladies are online and now there is a cool and sassy guide for all dating divas, online dabblers and fearless females. A Practical Guide to Online Dating is packed with tips, tricks and techniques on having fun, bagging the right man and avoiding the weirdos. Find out how to give good email, the dos and don'ts of profile writing, decoding the good, the bad and the ugly photos and learn how to enjoy Facebook flirting. This easy-to-follow guide to online dating is like having your coolest, funniest friend give you advice: it's sensible, down-to-earth, sometimes hysterical and most importantly, real. Easy to dip in and out of, topics include choosing the right site, safety, how to give the write impression (so no lying on your CV!), browsing profiles, online flirting, where to go and not to go on a first date and what to wear, letting him down or seeing him again, how to ditch a dodgy date and blind date banter. As entertaining as it is informative, and complete with a comprehensive guide to websites, A Practical Guide to Online Dating is the only books for cool girls. Georgia Barlow has been writing for women's magazines for 10 years, including More, Marie Claire and Australian teen title, Girlfriend. Most recently, she was the writer of the Sex & The Single Girl column in Cosmopolitan. She is now freelance and continues to write for a number of women's titles, including a regular column for the Cosmo website.

It's hard to believe that in a society with 1 in 4 relationships starting online, there are so few guidebooks to online dating. You don't have to settle for being alone anymore when the answers to finding your soulmate are accurately, yet humorously covered in Cupid's Guide to Online Dating. From setting up your profile to mastering the first date, if you've ever wondered what it takes to successfully find love online, Cupid's Guide to Online Dating is for you.

Finding a balance between what society portrays as a picture-perfect relationship and Christian reality is hard especially when the bait in chick flicks and teen magazines seems so attractive. But there is something better out there, and you deserve it! That's why Heather Marie Thompson, taking the role of a big sister, invites you to walk a mile in her high heels so that you can avoid all the left turns that made her stumble. Using biblical concepts and stories from her own life, Heather tackles many of the challenges that you face dating outside of your religion, jealousy, cheating, and sex before marriage while emphasizing the importance of being anchored in the love of Christ.

An Intensely Practical Guide for Husbands Looking to Strengthen, Save, or Spice up Their Marriage Most men don't know how to date their wives. They did it before, but they've forgotten how, or they're trying but it just doesn't seem to be working. Justin Buzzard helps men re-learn this all-important skill from a position of security in the gospel of grace. As a father of three boys and husband to a very happy wife, Justin offers guys a helping hand, good news, and wise counsel, along with: 100 practical ideas for how to date your wife Action steps at the end of each chapter Personal stories and real-life examples All types of marriages—good ones, mediocre ones, and bad ones—will experience a jumpstart as a result of hearing, believing, and living the message of Date Your Wife.

Your partner's attention deficit disorder (ADD) may not seem like a big deal at first, but eventually, the dynamics surrounding his or her impulsivity, forgetfulness, distractibility, and restlessness can really strain your relationship. You don't want to act like a parent, yet you may feel like you can't rely on your partner to get things done. Loving Someone with Attention Deficit Disorder is your guide to navigating a relationship with someone with ADD so you can create healthy boundaries while remaining sympathetic to your partner's symptoms. An essential resource for every couple affected by ADD, this book will help you: • Understand medication and other treatments • Recover quickly when your partner's symptoms frustrate you • Establish personal boundaries to avoid excessive caretaking • Identify and take care of your own needs so you can feel more relaxed

ARE YOU NEW TO DATING? ARE YOU ACTIVELY DATING BUT NOT FINDING SATISFACTION AND FULFILLMENT? ARE YOU RE-ENTERING THE DATING WORLD? ARE YOU CONFUSED BY WHAT YOU HEAR AND READ AND AS A RESULT FEEL ANXIOUS? ARE YOU DATING TO FIND LOVE AND COMMITMENT? This is the book for you! The ABCs of Dating is a guide for men and women that recognizes and reveals the separate and unique stages of the dating process and provides insightful strategies to help you attain your relationship ideals! The A phase starts with the self-reflective work necessary to date mindfully with more fun, enjoyment and confidence. The B phase is bonding more closely with a potential partner and about creating a like-mindedness based on trust and intimacy. The C phase speaks to beginning a commitment when the relationship is right and how to keep love alive. The ABCs of Dating is a book to read for comfort, encouragement and as a compass for how to move forward in a new, empowered and creative way to find the love you deserve. Brenda A. Lewis, LCSW, is a New York City based psychotherapist with over two decades of experience in private practice. Her creative strategies, outlined here in The ABCs of Dating, have helped many men and women struggling in the area of relationships and complex dating issues. She has led many singles to find new meaning in their quest for love. Couples who have worked with Brenda have found happiness and connectedness within their relationships and marriages. In addition to general therapy, she deals with sexual and intimate issues in individuals and couples and is experienced at addressing themes of non-functioning elements within relationships to empower positive change. Working with all ages and different cultures and backgrounds, she is highly adept at understanding and illuminating the dynamics of the power of love.

You are not the only one who struggles with self-love and self-confidence. We all do. But you are the only one who can change that. *Date Yourself* "offers women a wise, approachable step-by-step guide to heal self-loathing and cultivate self-intimacy." -Sara Avant Stover, bestselling author of *The Way of the Happy Woman* and *The Book of SHE* Maybe you have heard, "Self love is the best love," but how do you cultivate that genuine appreciation remains a total mystery despite all the self confidence books for women on the market. UNTIL NOW. *Date Yourself* is the meaning of dating yourself anyway? We think of relationship as being with others; what if you realized your primary relationship is with yourself? Are you seeking solutions to your deepest longings in the wrong places? Modern women have been taught to pursue validation in the form of a romantic partner(s) and from our careers to the point of burnout. *Date Yourself* puts you firmly at the center of your life and learning how to appreciate yourself as you are, and honor your own needs. Not just for single ladies, *Date Yourself* is a truly practical guide to constructing a new paradigm wherein a woman is devoted to herself first and foremost, regardless of romantic status. Warning: This book is not for everyone. If you would rather stay stuck, miserable and prefer to keep tormenting yourself this book is not for you. When dating yourself you will dig in and do some real self-examination, but with wise and tender guidance you will shine. More than just a self confidence journal, think of this book as a self love experiment where you will learn to date yourself with the support of a community of thousands of women trust. *Date Yourself* offers you: a recipe for empowering self-awareness a genuine Self love activity book & journal specifically for women the structure, urgency, and accountability you need more than 30-days worth of practical lessons and practices to revolutionize how women think of themselves. tons of date yourself ideas *Date Yourself* maps out simple steps, powerful practices and draws wisdom from biology, psychology, and neuroscience, to weave a fundamentally new way of being with one's self. A balance of intellectual and emotional insight for the modern educated woman to rewire the brain and heart. Not just another self love workbook for women, rather, this book is a key to a new perception of yourself and way of relating to the most important person in your life; YOU. If you've read this far you are ready: you are dating yourself (Swipe right - on yourself and see where it leads.) Bonus: Free Download A self-love guided journal that mirrors the book and its practices. (52 beautiful pages). By the end you'll have so many confident quotes about yourself you will be impossible to see yourself the same way. Bonus+: Access to the community of women already on the path. For a limited time get this for the unbeatable low launch price. Offer expires soon. Buy your copy now.

Intrigued by the idea of dating a young woman, but not sure how to make it happen? This practical how-to guide by dating expert Key Thomas walks you through the entire process of becoming the man that younger women want to date, and then finding young women who want to meet you. This isn't a book about becoming a pick-up artist, or a list of sketchy short cuts to wooing women -- it's solid, practical advice that will give you a good chance at going on a date with a beautiful young woman just a week after reading it. Written in a breezy style that's as funny as it is informative, "How to Meet and Date Younger Women" will give you the tools you need to completely transform your dating life.

Is it possible to find love again after a breakup, death, or divorce? The end of a relationship can sometimes feel like the end of the world. Devastation, loneliness, and bitterness are some emotions that exist due to a breakup, divorce, or the loss of a loved one. But with this compassionate guide, Dr. John Gray expresses that you will survive and tells you how to find love again. While the process of healing is similar with both sexes, there are distinct differences between the ways men and women heal their bruised hearts. In *Mars and Venus Starting Over*, Dr. Gray offers gender-specific advice on how to: Deal with pain Find forgiveness Discover the strength to let go Rebuild self-confidence Rise to the challenge of finding fulfillment again Filled with gentle guidance, healing practices, and compassionate wisdom, *Mars and Venus Starting Over* will help men and women explore the meaning of loss, find their way through the healing process, and discover
