

A Single Dad Romance

A one-night stand with a single, widowed dad can change everything. “What the f*ck have I done?” aren’t the first words you want to hear after a one-night stand. Yet that’s what he gave me. Dallas Barnes is tall, dark, and handsome. He’s also scarred, rough, and broken down by burdens. A single dad. A widower. A lost soul. We found each other in the back of a dark pub. He brought the whiskey. I brought the bad decisions. He called it a mistake. I vowed never to speak to him again. That vow is broken with one test. Two pink lines have turned my life upside down. One night can change everything. I need a boyfriend. And not just any boyfriend - a complete dick. The most arrogant, infuriating b*stard I can imagine. Someone to finally convince my Mom I'm better off single. And I know the perfect guy. Josh Dillon. He's sexy-as-f*ck, totally inappropriate - and the worst boyfriend ever. So there's definitely no way I'd fall for him...right? Forget family drama...this could be a tragedy. Faking romantic feelings? Provoking Cassie's family? A spectacular, devastating break-up? This role was practically made for me. It's a simple arrangement - all I have to do is play pretend for one little family vacation. What I'm not supposed to do.....is touch her like she belongs to

me.....kiss her like I can't breathe anymore.....or f*ck her until she's seeing stars, screaming my name. But I've never played by the rules, and Cassie has me craving just one touch, one taste, one mind-shattering f*ck like no girl I've ever met. So I do everything I shouldn't. Because what Cassie doesn't realize yet...is that I'm not faking this. And by the time this vacation ends, she's going to be mine. I might be the perfect actor, but this role is for real.

The sequel to the wildly popular romantic comedy SINGLE DAD ON TOP has arrived. I'm always on top. My penthouse. My corporate office over Manhattan. And now, my family. Well, as long as baby Grace isn't fussing. And my wife-to-be Arianna doesn't need me for something. Okay, maybe things have evened out a bit. But now Arianna wants to meet my parents. They live in a trailer. Dad thinks Playboy T-shirts are classy because the naked women are silhouettes. Mom has a tattoo of a dog humping a palm tree. I don't think either one has said a sentence without an f-bomb since 1985. I changed my name a long time ago. Started a new life with a clean slate and never looked back. I don't know how to mend that bridge. Or why there's a pig-on-a-spit at their surprise engagement party. Or how Arianna and I ended up wearing matching "Ball and Chain" bride and groom shirts. But you don't get to choose your parents. And in my family, crazy is definitely relative. ___ While Single Dad Plus One could probably stand alone, a lot of the humor builds on book one, Single Dad on Top. We recommend reading them in order.

From USA Today Bestselling Author, A.M. Hargrove, comes a New Adult, Single Dad, Sexy, Stand Alone Romance. Single Dad, Beckley Bridges, is sexy as hell. No, really, he's the hottest thing since the sun was created. Honest to God, crack an egg on him and the thing will

sizzle. So what's the problem? He's also a gigantic jerk. I hate the bastard. I try to avoid him at all costs. But for some reason, everywhere I go he seems to show up. Only the real issue is his daughter, English. She's an adorable quirky first-grader who's the sweetest thing since iced tea. And she's one of my students but also the love of his life. So I have to deal with him on a professional level. It's not easy. On a scale of easy to hard, dealing with Beckley Bridges is like nails screeching across a blackboard. But when English's mother tries to gain custody after abandoning her on Beckley's doorstep as an infant, he'll do anything possible to keep her under his roof. That's how he ends up propositioning me. And crazy as it sounds? I find myself considering it. This is a full-length, stand-alone, novel, with no cliffhangers, and an HEA. It contains mature content and is not suitable for younger readers. I am not getting involved with another man again. I don't care if he's super hot. I don't care if he's a caring single dad with two adorable kids. I don't care that he's a freaking billionaire. Or that he lives across the street. And keeps looking at me like he wants to eat me up. So my ex was a no-good, low-life cheater. And even though somewhere deep down I knew he wasn't my prince charming, the betrayal still stings. I needed to get out of the city and clear my head. Go drink some wine in a rural cabin in Texas and swear off men for good. Instead, I ran into a football-playing billionaire who gives me looks so hot it makes me sweat. Carter Christensen is a dream come to life. With a rock-hard body and more riches than Midas, he's everything a girl could want. Throw in the fact that he's got two little twin

*daughters he'd move heaven and earth for, and the guy is a walking, talking fantasy. But the whole point of this escapade was to mend my broken heart and get my libido in check...not get riled up again by the sexiest man I've ever seen in my life. And with the way he loves and protects his daughters, I can't just flit into his life and then run before things go south. But still, a little fun on vacation never hurt anyone, right? **The Billionaire Single Dad is a full-length standalone billionaire romance, with no cliffhangers or cheating and a swoon-worthy HEA.***
