

## A Womans Guide To Online Dating

This post-feminist love manual offers women relationship advice, energy healing, and tools for personal transformation through awakening true feminine power.

Results from world-renowned relationship expert John Gottman's famous Love Lab have proven an incredible truth: Men make or break relationships. Based on 40 years of research, *The Man's Guide to Women* unlocks the mystery of how to attract, satisfy, and succeed with a woman for a lifetime. For the first time ever, there is a science-based answer to the age-old question: What do women really want in a man? Dr. Gottman, author of the New York Times bestseller *The Seven Principles for Making Marriage Work*, and his wife and collaborator, clinical psychologist Julie Schwartz Gottman, PhD, have pored over the research along with bestselling coauthors Douglas Abrams and Rachel Carlton Abrams, MD. Together, they have written this definitive guide for men, providing answers on everything from how to approach a woman and build a connection with her to how to truly satisfy her in bed and know when the relationship is on the right track. *The Man's Guide to Women* is a must-have playbook for how to play—and win—the game of love.

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to

- Protect yourself
- Spend smart
- Build your future
- Give to others

Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It

gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life. One in five relationships starts on an online dating site, but little straightforward guidance exists for users. Enter digital dating whisperer Laurie Davis . . . In a world where we communicate as much via texts as we do through body language, this book empowers readers to log on and double click for love, taking them through the journey all online daters face—from choosing the right site, creating a profile, and navigating dates, to logging off with their perfect match. *Love @ First Click* is every online dater's guide to exploring the web with no-fail techniques. For example, uploading the right photos can attract someone who might otherwise pass you over. Setting a time limit on the first meet-up can leave your date excited to see you again. And the phrasing in your date's thank-you text after dinner can uncover how your click mate really feels about you. Whether you're a digital dating vet or virgin, this is the ultimate guide to online dating that will take your online crush to offline love.

The New York Times and USA Today bestseller! "...a hauntingly atmospheric love letter to the first mobile library in Kentucky and the fierce, brave packhorse librarians who wove their way from shack to shack dispensing literacy, hope, and — just as importantly — a compassionate human connection."—Sara Gruen, author of *Water for Elephants*

The hardscrabble folks of Troublesome Creek have to scarp for everything—everything except books, that is. Thanks to Roosevelt's Kentucky Pack Horse Library Project, Troublesome's got its very own traveling librarian, Cussy Mary Carter. Cussy's not only a book woman, however, she's also the last of her kind, her skin a shade of blue unlike most anyone else. Not everyone is keen on Cussy's family or the Library Project, and a Blue is often blamed for any whiff of trouble. If Cussy wants to bring the joy of books to the hill folks, she's going to have to confront prejudice as old as the Appalachias and suspicion as deep as the holler. Inspired by the true blue-skinned people of Kentucky and the brave and dedicated Kentucky Pack Horse library service of the 1930s, *The Book Woman of Troublesome Creek* is a story of raw courage, fierce strength, and one woman's belief that books can carry us anywhere—even back home.

Additional Praise for *The Book Woman of Troublesome Creek*:  
"A unique story about Appalachia and the healing power of the written word."—Kirkus  
"A timeless and significant tale about poverty, intolerance and how books can bring hope and light to even the darkest pocket of history."—Karen Abbott, New York Times bestselling author of *Liar Temptress Soldier Spy*  
"Emotionally resonant and unforgettable, *The Book Woman of Troublesome Creek* is a lush love letter to the redemptive power of books."—Joshilyn Jackson, New York Times and USA Today bestselling author of *The Almost Sisters*

The whirlwind of social media, online dating, and mobile apps can make life a dream—or a nightmare. For every

trustworthy website, there are countless jerks, bullies, and scam artists who want to harvest your personal information for their own purposes. But you can fight back, right now. In *The Smart Girl's Guide to Privacy*, award-winning author and investigative journalist Violet Blue shows you how women are targeted online and how to keep yourself safe. Blue's practical, user-friendly advice will teach you how to: –Delete personal content from websites –Use website and browser privacy controls effectively –Recover from and prevent identity theft –Figure out where the law protects you—and where it doesn't –Set up safe online profiles –Remove yourself from people-finder websites Even if your privacy has already been compromised, don't panic. It's not too late to take control. Let *The Smart Girl's Guide to Privacy* help you cut through the confusion and start protecting your online life.

Do you feel like you are too nice? Sherry Argov's *Why Men Love Bitches* delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," *Why Men Love Bitches* gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.

Whether you're a freshly diagnosed patient, a woman who's been living with heart disease for years, or a practitioner who cares about women's health, *A Woman's Guide to Living with Heart Disease* will help you feel less alone and advocate for better health care.

The acclaimed comedian teams up with a New York University sociologist to explore the nature of modern relationships, evaluating how technology is shaping contemporary relationships and considering the differences between courtships of the past and present.

Offers natural solutions to the top twenty-five female health conditions, including acne, uterine fibroids, and menopause.

A woman's handbook to demystifying the world of weed, whether it's being used for pain relief, a moment of calm, or a fit of giggles. Women of all ages are using cannabis to feel and look better. For rookies and experienced marijuana users alike, this lively, information-filled book is just the supportive guide you need to find the right dose to relieve anxiety, depression, and inflammation, and mitigate the onset of dementia and other signs of aging. Plus boost moods, ease aches, even lose weight, and get restful sleep. And a dose just for fun? Well, that works, too! Here's how to navigate the typical dispensary, with its overwhelming options of concentrates, edibles, vape pens, and tinctures. Understand the amazing health-giving compounds found in cannabis—THC, CBD, terpenes, and more—and how to use topicals to reduce pain and give your skin a healthy glow. There's even advice on how not to get high but still reap all the amazing health benefits. Plus over twenty recipes, from edibles like Classic Pot Brownies and Netflix and Chill Caramels to self-care products like Radiant Glow Serum and Happy Body Bar. Millions of women are launching online businesses. *Power Up for Profits* is the first book written exclusively for women who want to leverage the power of the Internet to reach a global audience and build a successful business with integrity, heart, and massive success. Kathleen Gage has been actively marketing on the Internet since 1994, building a multiple six figure business and a stellar reputation for honesty, outstanding content, and success. She's taught thousands her internet marketing methods in seminars and trainings. For the first time, Gage's signature tips and techniques are organized into one easy to read book. Filled with step-by-step

instructions, entertaining stories, and the heart centered business acumen women crave, Power Up for Profits includes state of the art information on blogging and social media website creation and traffic generation joint ventures and affiliate partnerships packaging information in products and services marketing strategy specifically for women entrepreneurs If you relish the thought of how the Internet can help you share your message with the world, create a profitable business, and enjoy the freedom of entrepreneurship, Power Up for Profits is the book for you. "Kathleen Gage clearly understands two things: Power and Profit. While this book allows you to use your passions and creativity to find a wealthy path in business it doesn't allow you to get bogged down in the BS of "how." It's clear. It's step by step. AND it's funny and compassionate. This is a must read for any woman ready to build a business (with lots of profits)." Suzanne Evans - Suzanne Evans Coaching "Follow these simple steps and become the successful, prosperous, and happy business owner you are meant to be!" Janet Bray Attwood - New York Times Bestselling Author - The Passion Test "Simply enlightening...gives you a step-by-step process to create a great big beautiful impact for your clients... and in your bank account, too. Read it!" Dr. Joe Vitale - Bestselling author - Hypnotic Writing "Power Up for Profits! is the perfect blend needed to create a successful online business. Follow Kathleen's advice and watch your profits soar." Peggy McColl - New York Times Bestselling Author - Dynamic Destinies Inc. "For the first time, a book outlines in simple, easy-to-understand, and usable terms, the most powerful yet overlooked combination of true spiritual principles and sound marketing strategies." Eva Gregory - Leading Edge Coaching & Training "Looking for no-fluff marketing training? You found it in this gem of a book! Kathleen's practical steps make it simple to market and grow a business that is a perfect - and profitable - expression of YOU!" Kendall SummerHawk - International Association of Women in Coaching

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a

reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her “real life” against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

Financial trainer Susan Hayes believes that every woman can and should get to grips with money management. In *The Savvy Woman's Guide to Financial Freedom* she gets to the heart of why you might be having problems and, like straight-talking American expert, Suze Orman, she comes up solutions whatever your situation. Think about it ... How many times have you said to yourself, 'This is the year when I finally get to grips with my finances'? But somehow time slips away and twelve months later you are no better off. How many times have you decided to stick to a budget only to see events get in the way and your good intentions frustrated? Do you have a nagging sense that you're not in charge of your money and that your future financial well-being is beyond your control? Even worse, in these challenging economic times, are you so stressed about money that you cannot even begin to see a way out of your situation? Whether you're figuring out how to squeeze enough money from the family budget to save for a much-needed holiday, finally preparing to tackle years of lifestyle debt, or taking a leap of faith and starting your own business, *The Savvy Woman's Guide to Financial Freedom* is brimful of down-to-earth and encouraging advice, and practical user-friendly methods, to show you how to get where you want to go. By following Susan Hayes's guidance you could find that it takes as little as an hour a week to check your financial well-being, to make sure you are on track to accomplish your goals and to achieve ongoing peace of mind about money. Corkwoman Susan Hayes has had a life-long love affair with business (as a little girl she held board meetings with her teddy bears) and went on to get a BSC in Financial Maths and Economics from NUI Galway. She is managing director of the international financial training company Hayes Culleton. Because of her can-do approach to resolving even the stickiest economic questions in her many media appearances (RTÉ, TV3, Today FM, 4FM, Sunday Independent) she has become known as the Positive Economist.

Geared specifically to women, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Recovery is not a man's world, and yet to a woman it can sometimes seem that way. Geared specifically to that

woman, this book brings a feminine perspective to the Twelve Step program, searching out the healing messages beneath the male-oriented words. Based on an open exploration and a flexible interpretation of the Twelve Steps, this new perspective takes into account the psychological development of women as it relates to addiction and recovery, as well as the social and cultural factors that affect women in particular. Acknowledging that recovery raises special issues for women--from questions about sexuality, relationships, and everyday life to anxieties about speaking up at mixed-gender meetings--A Woman's Way through the Twelve Steps focuses directly on the feminine experience of addiction and healing. The author explores the Twelve Steps one by one, reiterating each in its traditional language, then explaining and illustrating it in a way that highlights a woman's experience--empowering the reader to take ownership of her own recovery process as well as her growth as a woman.

**#1 AMAZON BEST SELLER** Are you single and looking for an incredible relationship? Do you struggle to attract the right type of guy? Are you tired of the current dating scene? This easy to read, step-by-step guide will take you through the process of attracting an incredible guy using dating apps. Yes, it's possible! Online dating is the easiest and most efficient way to meet your future partner, but if you don't know the steps, your results will be mediocre at best. In this book, Benjamin shares the secrets that will enable you to get the results you're after. This book will help you: \* Get clarity on what you want \* Create an epic profile that generates interest \* Start and maintain quality conversations \* Get dates with the right type of guys \* Start a great relationship

This book takes the confusion and uncertainty out of writing a non-fiction book. It's a step-by-step guide to clarifying the message, organizing the material and writing in ways that work for the reader's goals and lifestyle. Writer's coach Cynthia Morris gives you a map to help you design and enjoy your own writing practice.

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. Getting Off: A Woman's Guide to Masturbation is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, Getting Off provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Foreword by Betty A. Dodson

A biting funny field guide to modern love from the woman who's dated them all. Through highly relatable anecdotes from a decade of dating, Twenty Guys You Date in Your Twenties dives into the joys, frustrations, and hilarity of swiping right on relationships. After a world-shattering breakup in her early twenties, comedian Gabi Conti logged thousands of hours on dating apps, conducting research and gathering intel on our behalf. Real and relatable, this dating guide is laugh-out-loud funny without being prescriptive or cynical. • Each chapter focuses on a different type of guy and offers advice on how to deal, from The Guy Who's Great on Paper to The Guy Who Texts "sup" at 2 a.m. • Includes charts, quizzes, and "Boy Bingo" • Captures the frustrations, heartache, and hilarity of Tinder, Bumble, Hinge, OkCupid, and all other online dating apps For the modern, app-using woman, this hilarious dating guide profiles 20 stereotypical men, from their physical appearance and dating style to red flags, tips, and success stories. Filled with charts and quizzes, hysterical anecdotes, and helpful insight from therapists and dating coaches, these pages offer advice and humor in equal measure. • Offers sincere advice to cope with dating app horror stories • Great for fans of How to Date Men When You Hate Men by Blythe Roberson, Bye Felipe: Disses, Dick Pics, and Other Delights of Modern Dating by Alexandra Tweten and HEY, U UP? (For a Serious Relationship) by Emily Axford and Brian Murphy

Provides women with a list of sites and information on easy ways to get online, the proper way to "chat," and online stalking, harassment, and pornography

Full of sass, soul, and the type of empowering wisdom that no woman should live without, Choosing ME before WE is like a heart-to-heart with your closest girlfriend. And best of all, you'll discover that your closest girlfriend is your own truest self, inside you, always ready to offer wise, loving advice and counsel about what is best for you. Designed to challenge and guide women to create the relationships they want instead of the ones they often find

themselves stuck in, this book is packed with: stimulating questions to uncover what's true for you, daring you to get downright real about yourself and your relationships powerful techniques to change old habits that sabotage your dreams real-life experiences shared by the author, her friends, and her clients Author Christine Arylo, who almost married the wrong guy for all the wrong reasons, speaks to women of all ages, whether they're seeking a relationship, evaluating a less-than-fulfilling one, rebounding from a bad breakup, or working through issues with a partner. Choosing ME before WE teaches women to stop settling, to get real about the kind of partner they're looking for, and to start exploring and creating what they truly want in themselves and their relationships. Offers a practical and humorous guide to understanding the male mind, including tips for cultivating better communication and understanding in relationships.

Based on her work with over a thousand women across the country, psychologist Helene G. Brenner has learned that women feel the impulse to accommodate, adapt and mold themselves to serve others at their own expense. Her solution is an invigorating new approach to women's psychology. The key to transformation, she explains, is not self-improvement, but self-acceptance—affirming and validating what we truly feel and experience and who we already are. Dr. Brenner shows women how to discover and express what they truly want and value, guiding you toward your own Inner Voice. I Know I'm In There Somewhere will show you: - How to embrace, rather than fix, the Inner Voice that has been there all along - How to distinguish the Outer Voices (the expectations of the people around you) from Your Inner Voice (the voice of your true self that goes beyond intuition and guides you wisely towards what is right for you) - What to do when you feel that the essence of who you are is being stifled by external demands and expectations

*For women who enjoy hiking, camping, backpacking, and other outdoor recreation or those inspired by Cheryl Strayed's Wild, this is the definitive guide to being a woman in the great outdoors. This friendly handbook covers the matters of most concern to women, from "feminine functions" in the wilderness to how to deal with condescending men, as well as the basics of wilderness survival tailored to women's unique needs. It includes gear lists in addition to advice for camp setup, fire building, food and water, safety, weather, and navigation.*

*Chances are, you've heard about Internet dating from a friend, or an online banner ad has caught your eye. If you've given online dating a passing consideration, you may have some fears from all those graphic horror stories that jar your senses - and your sensibilities. Or you may think that meeting people via the Internet is only for the disenfranchised or socially unskilled. From their own experiences, 20 million people can tell you otherwise. Online Dating For Dummies will get you off the fence and on the Internet dating path - with the skill of a seasoned pro. Like your best friend, this fun reference will give you the straight scoop on Gearing up with the right computer hardware Overcoming preconceived notions of who is online Talking the online lingo Enjoying conversation in chat rooms Considering date site options Establishing your screen identity Facing the consequences of not posting a photo Internet dating is growing at double-digit rates every year, while other forms of finding a connection are flat or falling off. Internet dating, although far from perfect, is becoming the most effective and efficient method of getting introduced to a large number of available singles. Online Dating For Dummies shows you how to get your feet wet and how to dive in, making informed choices and exercising good judgment as you Sign up for a trial run on a dating site Try to describe yourself for your personal profile Initiate your first e-mail contact Make your first in-person meeting memorable Identify frauds and players Figure out what not to do if you really want to meet someone Jumping into online dating with no preparation at all is possible - but not practical. If you follow the techniques in this friendly guide, your odds of meeting great potential matches will greatly improve, and you'll have far more fun in the process.*

*Does the thought of joining a dating site invoke feelings of fear and anxiety--or, worse, insecurity or unworthiness? If so, then The Grown Woman's Guide to Online Dating is the book for you. In it, New York Times bestselling writer and funny lady Margot Starbuck describes her own experiences with online dating--from the often-absurd to the sometimes-serious--and the insights that helped her embrace who she truly is. Four years after an unexpected divorce and at the urging of friends, Margot Starbuck ventured into the unknown waters of online dating. Now, sixteen different dating sites and far too many membership fees later, Starbuck offers an inside look into the wild, surprising, and endlessly fascinating world of virtual courtship. With practical advice about how these sites work, what to expect, and when to join and quit, along with proven tips for making the most of them, the Grown Woman's Guide will equip readers with all they need to take the plunge. They'll discover how to: embrace who they are as women already beloved, create irresistible profiles that highlight what makes them unique, assess what they like and dislike in men's profiles, write a message that is most likely to get a response, recognize*

sixteen "red flags" so that they stay safe, and understand and avoid the practices of ghosting and catfishing. Starbuck's honest and reassuring voice is like that of a close girlfriend who cheers on her readers with both humor and biblically based advice. Even as she shares the personal and spiritual growth she experienced in her own journey—including coping with her feelings of loneliness, rejection, and pressure—she reminds them of the unchanging truth that they have always been the beloved of God.

*The Intelligent Woman's Guide to On line Dating* is two books in one! The first book: "How I Did It" is Dale's story of how she found her Mr. Right on line. It is Dale's own inspirational journey after her 'perfect' 25 year marriage was over (her husband left her for a man) and her joining an online dating service 12 days later. She made her way through thousands of profiles and met hundreds of men (!) until she met her Mr. Right. Flip the book over to reveal Book Two: *If I Can Do It, You Can Too!* Dale shares how she learned to make the most of online dating and polished her skills and created strategies that really worked. There are tips on everything from the photos, to the profile along with the search, initial contact, response and meeting. Dale offers solid tips on writing that all so important profile—one that works!

A detailed and definitive guide to online dating for women who want romantic companionship and want to know how to get the best experience out of their dating activities on online sites.

Comforting and intimate, this "girlfriend" guide to getting pregnant gets to the heart of all the emotional issues around having children—biological pressure, in-law pressures, greater social pressures—to support women who are considering getting pregnant. Trying to get pregnant is enough to make any woman impatient. *The Impatient Woman's Guide to Getting Pregnant* is a complete guide to the medical, psychological, social, and sexual aspects of getting pregnant, told in a funny, compassionate way, like talking to a good friend who's been through it all. And in fact, Dr. Jean Twenge has been through it all—the mother of three young children, she started researching fertility when trying to conceive for the first time. A renowned sociologist and professor at San Diego State University, Dr. Twenge brought her research background to the huge amount of information—sometimes contradictory, frequently alarmist, and often discouraging—that she encountered online, from family and friends, and in books, and decided to go into the latest studies to find out the real story. The good news is: There is a lot less to worry about than you've been led to believe. Dr. Twenge gets to the heart of the emotional issues around getting pregnant, including how to prepare mentally and physically when thinking about conceiving; how to talk about it with family, friends, and your partner; and how to handle the great sadness of a miscarriage. Also covered is how to know when you're ovulating, when to have sex, timing your pregnancy, maximizing your chances of getting pregnant, how to tilt the odds toward having a boy or a girl, and the best prenatal diet. Trying to conceive often involves an enormous amount of emotion, from anxiety and disappointment to hope and joy. With comfort, humor, and straightforward advice, *The Impatient Woman's Guide to Getting Pregnant* is the bedside companion to help you through it.

A guide to online dating for women looking later in life for the man of their dreams. You've succeeded on your own terms,

*and now you want to have a loving partner in your life. But you still have worries. Will men still find you attractive? How can you succeed in the complex world of online dating? Are there still any good men out there? At age sixty-two, Joan Bragar, EdD, leadership consultant and coach, married a wonderful man whom she met on an online dating site. The lessons she learned from this journey have inspired other women to find their own happiness in love. Never Too Late for Love is the guide for women who are ready to find and keep the love of their life. In Never Too Late for Love, Dr. Bragar provides proven practices for women to: Clarify intentions for the kind of relationship they want Effectively use online dating sites to meet suitable men Overcome the inevitable disappointments of dating . . . to meet the man of their dreams! "Dr. Joan Bragar is a world-class myth-buster. In this delightfully compelling read, you're going to find out why finding happy, healthy love is not only possible, but probably when you follow her simple and easy-to-follow protocol." —Katherine Woodward Thomas, New York Times–bestselling author of Conscious Uncoupling and Calling in "The One"*

*The essential recovery guide for women new to sobriety, written by the director of clinical services at Hazelden's new cutting edge treatment facility for women. Whether you are just embarking down the road of recovery or are well into the journey, consider Brenda Iliff's A Woman's Guide to Recovery your companion and guide. Brenda Iliff is a leading Hazelden clinician. She developed this guide to help women handle issues and challenges that come with their new life of recovery: How can you balance self-care with family responsibilities? What do you do about friends who aren't comfortable with your newfound sobriety? How do you rebuild family relationships? A Woman's Guide to Recovery offers real-life insight into what it means and what it takes to sustain healthy, lasting recovery.*

There is a movement of women stepping into their God-given gifts to make money doing what they love. If you're ready to join them, this is your

handbook that will take the ideas in your head and the dream in your heart and turn them into action. \*Help you create a step-by-step, customized plan to start and grow your business. \*Show you how to manage your time so you can have a business- and life- that you love. \*Explain overwhelming business stuff like pricing, taxes, and budgeting in simple terms. \*Teach you how to use marketing to reach the right people in the right way.

As we face global challenges like climate change and inequality, what if women could use their investments to build a cleaner, fairer and more sustainable world? Financial feminism – the belief in the financial equality of women – has been gathering momentum, largely in the context of the gender pay gap: on average a woman earns 80% of what a man does. But there's another gap – the gender investing gap – which shows women are investing less than men, saving less for retirement and parking more in cash. When compounded by the gender pay gap, this results in a significant shortfall, but there's more to financial feminism than simply addressing these gaps: women also care about where their money is invested and the impact it can have. In this practical and accessible guide, sustainable investing expert Jessica Robinson shows how through financial feminism, women can use their financial power to invest in a sustainable future and build the kind of world they want to live in. With jargon-free explanations and real-world examples, she demystifies the financial services industry, breaks down just what sustainable investing is and demonstrates the societal and environmental impact of the investment decisions we make. Arming women with the information they need to get started – and keep going – she hopes that more women will embrace financial feminism, invest to grow their own wealth and, in doing so, use their financial decisions to demand a better world.

As an intelligent woman, you are probably used to learning as much as you can before making major decisions. But when it comes to one of the most important decisions of your life--how you will give birth—it is hard to gather accurate, unbiased information. Surprisingly, much of the research does not support common medical opinion and practice. Birth activist Henci Goer gives clear, concise information based on the latest medical studies. The Thinking Woman's Guide to a Better Birth helps you compare and contrast your various options and shows you how to avoid unnecessary procedures, drugs, restrictions, and tests. The book covers: Cesareans Breech babies Inducing labor Electronic Fetal Monitoring Rupturing Membranes Coping with slow labor Pain medication Epistiotomy Vaginal birth after a Cesarean Doula's Deciding on a doctor or midwife Choosing where to have your baby and much more . . .

"How can so many women feel "good and mad" yet still reluctant to speak up in a meeting or difficult conversation? Why do women often feel like they're too much--and, at the same time, not enough? What causes us, at the most critical moments in our lives, to freeze? Kasia Urbaniak teaches power to women--and her answers to these questions may surprise you. Based on insights from her experiences as a dominatrix, her training to become a Taoist nun, and the countless women she has taught to expand their influence, this book offers precise, practical instruction in how to stand in your power, find your voice, and use it well"--

"DIVORCE 101: A Woman's Guide to Divorce" is packed with practical answers to your questions about divorce. Written in plain English, with easy to follow chapters, this guide can empower you with the knowledge to make informed decisions when your marriage ends. It will show you how to plan and manage your divorce, giving you the confidence necessary to: Safeguard yourself before you ever meet with a lawyer. Collect and organize the vital information needed in your divorce. Choose the best lawyer for your case. Understand your current financial situation.

Establish the bottom line so that you receive your fair share. Make money smart choices about assets and debts. Negotiate effectively with your husband without being intimidated. Instead of struggling through your divorce, gain the necessary knowledge to take control of it.

"Newman has made every imaginable dating mistake--so you don't have to. Part guidebook, part personal tell-all, [her book] chronicles [her] funny, real-life dating misadventures and the practical wisdom she gained from them ... Just when you're about to submit to a lifetime at home with a pint of ice cream and TV reruns, Wendy will inspire you to keep stepping out. Learn how to avoid the most common dating mistakes; online-date like a true pro; date efficiently; have an amazing first date with anyone; self-care to stay at your best; end uncomfortable situations with grace; and much, much more"--

For too long, women have been told to confine themselves—physically, socially, and emotionally. Eliza VanCort says now is the time for women to stand tall, raise their voices, and claim their space. Women fight the pressure to make themselves small in private, professional, and public spaces. Eliza VanCort, a teacher, consultant, and speaker, provides the necessary tools for women to rewrite the rules and create the stories of their choosing safely and without apology. VanCort identifies the five key behaviors of all “Space Claiming Queens”: use your voice and posture to project confidence and power, end self-sabotage, forge connections, neutralize unsafe spaces, and unite across differences. Through personal narrative, research, and actionable strategies, VanCort provides how-tos on combatting challenges like antimentors and microaggressions and gives advice for building up your “old girls” club, asking for what you're worth, and owning your space without apology. Bold, fun, and enlightening, this book is birthed from VanCort's incredible story. Having a mother with schizophrenia forced VanCort to learn to be small and invisible at an early age, and suffering a traumatic brain injury as an adult required her to rethink communication from the ground up. Drawing on these experiences, and those of real women everywhere, VanCort empowers women to claim space for themselves and for their sisters with courage, empathy, and conviction because “when we rise together, we rise so much higher.”
