

Canadiana

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 26. Chapters: Biodiversity Heritage Library, Canadiana.org, D-Scribe Digital Publishing, Digital Library for Dutch Literature, Distributed Proofreaders, Google Books, Google Books Library Project, Google Book Search Settlement Agreement, HathiTrust, Live Search Books, Michigan Digitization Project, Million Book Project, NYPL Digital Gallery, Open Book Alliance, Project Gutenberg, SNLTR, University of Florida Digital Collections. Excerpt: Google Books (previously known as Google Book Search and Google Print) is a service from Google Inc. that searches the full text of books and magazines that Google has scanned, converted to text using optical character recognition, and stored in its digital database. The service was formerly known as Google Print when it was introduced at the Frankfurt Book Fair in October 2004. Google's Library Project, also now known as Google Book Search, was announced in December 2004. Results from Google Books show up in both Google Web Search and the dedicated Google Books site (books.google.com). Up to three results from the Google Books index may be displayed, if relevant, above other search results in Google Web Search. A click

File Type PDF Canadiana

on a result from Google Books opens an interface in which the user may view pages from the book, if out of copyright or if the copyright owner has given permission. Books in the public domain are available in "full view" and free for download. For in-print books where permission has been granted, the number of viewable pages is limited to a "preview" set by a variety of access restrictions and security measures, some based on user-tracking. For books where permission for a "preview" has been refused, only permission for "snippets" (two to three lines of text) may be permitted, but the full text of the book is searchable on this limited basis. Where the owner of a book cannot be...

Gerald K. Stone has collected books about Canadian Jewry since the early 1980s. This volume is a descriptive catalog of his Judaica collection, comprising nearly 6,000 paper or electronic documentary resources in English, French, Yiddish, and Hebrew. Logically organized, indexed, and selectively annotated,

File Type PDF Canadiana

the catalog is broad in scope, covering Jewish Canadian history, biography, religion, literature, the Holocaust, antisemitism, Israel and the Middle East, and more. An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada. An informative bibliographical resource, this book will be of interest to scholars and students of Canadian and North American Jewish studies.

"[Scofield's] lyricism is stunning, gets within the skin. Be careful. These songs are so beautiful they are dangerous." - Native American poet, singer, and storyteller Joy Harjo "These are poems that dig deeply into oral tradition in order to speak shattering truths of street life in 'the urban rez.'" - The Small Press Magazine

Excerpt: This page contains a list of Web archiving initiatives worldwide. For easier reading, the information is divided in three tables: web archiving initiatives, archived data and access methods. This Wikipedia page was originally generated from the results obtained for the research paper A survey on web archiving initiatives published by the Portuguese Web Archive team. Headquarters Mirror of the Internet Archive in the Bibliotheca Alexandrina. The Internet Archive is a non-profit digital library with the stated mission of "universal access to all knowledge." To overcome the challenge of selection when collecting the internet, the Internet Archive subscribes to the theory of bulk archiving in which it tries to archive as much of the internet as possible. The amount of data that the Internet Archive collects is massive and has grown over time. In 2005, 40 billion webpages were archived with a total collection amounting to more than a petabyte of data. It provides permanent storage of and free public access to collections of digitized materials, including websites, music, moving images, and nearly three million public-domain books; as of October...

gifts.

Through an inventive mingling of historic and contemporary art spanning 1780 to 2005, this publication exposes evolving narrative accounts and material conditions as these have been produced and recorded by artists. A far-reaching range of work is discussed under three thematic banners: Settlement Nation and Migration, Nature and the Environment, and Social Life and Ritual. A multifaceted staging of the Canadian experience is brought to life by such key artists as Carl Bear, Belmore, AA Bronson, Janet Cardiff and George Bures Miller, Emily Carr, Daniel Fowler, William Notman, Antoine Plamondon, Joyce Wieland and Jin-me Yoon. Inspired by the mandate of the Chancellor Richardson Memorial Fund at Queen's University and showcasing acquisitions the fund has made possible, *New Canadiana* highlights the value of works of art as historical documents and cultural artifacts. Since 1968, the Queen's University-based Fund has supported the purchase of unique Canadian research material. The idea of the nation is at the core of the cultural sphere it aims to enhance and define.

ANTIQUES & COLLECTIBLES Canadiana Amazing Patterns Adult Coloring Book Enjoy relaxing patterns with this fantastic coloring book from bestselling publishing brand, Mega Media Depot. Paper describing the costs associated with Early Canadiana Online, a large-scale digitization project. It contains the following sections: Introduction, An Economic Theory of Digital Access to Information, Cost Estimates of Early Canadiana Online, Pricing of Digital Information in a Networked Environment, Conclusions, and Appendix. The Cost Estimates section covers the costs of creating, storing, and providing access to print, microfiche, and digital versions of materials.

This guide addresses the tools and best practices for selecting and evaluating print and electronic sources related to the extensive and varied literature of Canada. Beginning with an overview of the strategies needed to conduct online research, individual chapters examine general literary reference materials; relevant online library catalogs, including national and union library catalogs; scholarly journals; archival collections; microform

File Type PDF Canadiana

and digital collections; periodicals, literary magazines, newspapers, and reviews; and Web and electronic resources. Special topics discussed include 'little magazines,' scholarly gateways, and cultural resources. The guide culminates in a chapter that illustrates the application of the strategies explored to solve a research problem. The strategies discussed within the guide are applicable to both canonical and lesser-known authors, therefore making this work relevant to anyone interested in researching Canadian literature.

The American Dream came true in Canada as U.S. entrepreneurs converted a wilderness lakeshore into the Crystal Beach amusement park. An excursion to Crystal Beach meant a trip on the Canadiana or one of the other ferries that whisked eager Americans over the border. Once inside the park, visitors experienced unforgettable sights, smells and thrills. Excerpt from Le Courrier Du Livre, 1899, Vol. 3: Canadiana; Canadian History, Archaeology, Bibliography, Numismatic, Philately and Genealogy; Official Organ of the Literary and Historical Society of Quebec John Cabot was married to a Venetian woman, who followed him to England, and we find it recorded that on

the 27th of August, 1497, she was living at Bristol, England, With her-children Lewis, Sebastian and Sanctus.' At that time they were apparently all of age, Sebastian having attained at least the age of twenty-three. Sebastian, there fore, was born in 1474} According to certain English biographers, Sebastian Cabot's native place was England; this statement carries but little weight, as it seems pretty sure that he was born in Venice. When his father was naturalized a Venetian in 1476; as already stated, in consequence of a constant residence of fifteen years in Venice, Sebastian must have then been not less than two years old. Many authors say that he was a Venetian, specially Ramusio, Andrea Navajero, Iontari'ui, Oviedo, Peter Martyr, etc. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Looking at Montreal's Jewish community during the first half of the twentieth

File Type PDF Canadiana

century, Margolis explores the lives and works of activists, writers, scholars, performers, and organizations that fuelled a still-thriving community. She also considers the foundations and development of Yiddish cultural life in Montreal in its interaction with broader issues of diasporic Jewish culture. An illuminating look at the ways in which Yiddish culture was maintained in North America, *Jewish Roots, Canadian Soil* is the story of how a minority culture was transplanted and transformed.

Reference Sources for Canadian Literary Studies offers the first full-scale bibliography of writing on and in the field of Canadian literary studies.

Approximately one thousand annotated entries are arranged by reference genre, with sub-groupings related to literary genre.

Epic Canadiana returns with all-new, all-different stories of Canadian superheroes. These comics might remind you of the long lost Canadian superheroes of the golden age, but fear not, dear reader! What Epic Canadiana #2 delivers are over 200 pages of wholly new tales from a new generation of Canadian comics creators, eager to react to the here and now. The contributors include Edison Yan, Colin Upton, painter Eric Johnson, Craig Wilson, D. M. Higgins and many more. Whether you have read Epic Canadiana #1 or not, feel free to dive in to this book. But beware, the mysterious Department None is watching.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the
