A new beginning...?

Career Girl In The Country - Fiona Lowe Dynamic city surgeon Poppy is at the top of her game - and can't believe she's been sent to work in a rural Outback town! Her colleague, brooding emergency doctor Matt, seems to thrive on the small-town solitude, but Poppy knows he's hiding from something and she's determined to draw him out of his shell and make him face his secrets. Taming The Brooding Cattleman - Marion Lennox Alexandra Patterson swaps city chic for the dusty outback when she arrives at Werrara Stud. As

the new vet, she may be more used to pampered puppies than prized stallions, but Alex is determined to show that she can cut it... Brooding rancher Jack Connor is in for a shock - the women in his life have only ever caused him pain and anguish...and Alexandra was supposed to be Alexander. Instead, the person before him is a petite blonde with a pink suitcase and is distractingly, infuriatingly attractive! Outback Surgeon - Leah Martyn Gorgeous Nick Tonnelli isn't just a high-flying surgeon - he's a Sydney socialite, too! So Outback GP Abbey Jones is charmed but confused when he makes his interest clear. The attraction between them is overwhelming - but would the glamorous surgeon really want a relationship with her? Actually, there's nothing Nick wants more. Which is why he's abandoning the glitterati to work for a month at her rural practice - making sure he's alongside Abbey by day...and

tough, they are labeled a bitch. Hauser proves that women don't have to sacrifice their values or hide their authentic personalities to be successful. Sharing a wealth of personal anecdotes and time-tested strategies, she shows women how to reclaim "nice" and sidestep regressive stereotypes about what a strong leader looks like. Her accessible advice and hard-won wisdom detail how to balance being empathetic with being decisive, how to rise above the double standards that can box you in, how to cultivate authentic confidence that projects throughout a room, and much more. THE MYTH OF THE NICE GIRL is a refreshing dose of forward-looking feminism that will resonate with smart, professional women who know

representation of women in the film. From an aging M to the limited role of the Bond Girl and the characterization of Miss Money Penny as a defunct field agent, Skyfall develops the legacy of Bond at the expense of women. Since Casino Royale (2006) and its sequels Quantum of Solace (2008) and Skyfall constitute a reboot of the franchise, it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series. This volume answers these questions by examining the role that women have historically played in the franchise, which

several times. Firm friendships were made as their epic journey unfolded on paper. The scale of female involvement in Britain during the Second World War wasn't matched in any other country. From 8 million working women just over 7000 were hand-picked to work at Bletchley Park and its outstations. There had always been girls at the Park but soon they outnumbered the men three to one. A refugee from Belgium, a Scottish debutante, a Jewish 14-year-old, and a factory worker from Northamptonshire - the Bletchley Girls confound stereotypes. But they all have one common bond, the war and their highly

confidential part in it. In the middle of the night, hunched over meaningless pieces of paper, tending mind-blowing machines, sitting listening for hours on end, theirs was invariably confusing, monotonous and meticulous work, about which they could not breathe a word. By meeting and talking to these fascinating female secret-keepers who are still alive today, Tessa Dunlop captures their extraordinary journeys into an adult world of war, secrecy, love and loss. Through the voices of the women themselves, this is a portrait of life at Bletchley Park beyond the celebrated code-breakers, it's the story of
