PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids

through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. *Grown and Flown* is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and

perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection. Are you beginning to think that it's time to date again? But where do you begin? Are you among the many who are living as a single woman and you're comfortable in your own space. The children are all grown up, and may all be gone. You have long been out of a relationship and had not been giving that part of your life much thought. As a matter of fact, you, the children, and the people around you have gotten used to the idea that you are quite happy and comfortable without a partner. !On the other hand, you perhaps had been giving the whole dating thing some thought and the more you think about it, the more appealing it gets.

So, you reached forty. Or maybe you haven't quite yet. But you'll get there soon enough. And when you do---whether that's now or in a couple of years' time---you'll need to know precisely what you need to do to get results with the girls you want to date. Perhaps you've been married. Maybe you're divorced, or a split looks imminent. Maybe you have kids. Maybe the dating scene is a dim and distant memory to you. Or perhaps you've been playing the field for a while, but you'd benefit from the

After all, when you were at university it was all so easy---you'd simply have a few drinks, go to the bar and meet a girl. These days there is Tinder and Bumble and Happn, not to mention all the social networks like Facebook, Instagram and Snap. Everything seems so complicated.Plus as a guy in his forties you're still interested in the same kinds of girls you always were: hot young things with a bit of sass and feistiness.That picture of Emily Ratakowski never fails to perk you up.And you don't see things changing any time soon. But where will you meet the kinds of girls you like? And how will you make it so that you're attractive to them? And how will you relate to them?Most

Do I have to ask where all of this is going? Will I still have to be hitting on girls when I'm seventy? Or can I find huge excitement, happiness and contentment through the player lifestyle? Let's face it. There's a ton of game advice out there but the vast majority of it is aimed at younger guys. And as **STILL IN THE GAME** makes clear, the principles of attraction are the same whatever your age. There are no silver bullets.

But the main thing that holds guys in their 40s back from success is not so much game techniques as much as the mindsets that they hold. If you can just make a few subtle tweaks to your mindset then you will immediately start to make huge leaps forward in your dating life. This book will teach you how.

Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs,

Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy

Dating in the age of narcissism is harder than ever, and nowadays women can't seem to recognize the three obvious flags inherent to dating—the red flags, the yellow, and the green. Never fear! Michelle is here to lay it all out for you. Whether you are a divorcee, newly single, a single mom, or a soon-to-be married woman, this book is for you. It functions as a quintessential primer to allow modern women everywhere to get ahold of their relationships. A testament to the author's many failed and successful relationships over the past twenty years, Michelle sets out

For centuries, man has studied the ancient art of war before heading into battle--obsessively planning, strategically theorizing, and meticulously executing. If only he did that before trying to pick up women. Just as they turn to Sun Tzu's honored text for military guidance, they can sharpen their dating skills by adapting the good general's advice. But since every guy hitting the bar on Saturday night isn't a seasoned warrior, this book has done the heavy lifting. By dissecting Sun Tzu's original text, extracting his core wisdom, and applying it to picking up women, this book teaches you how to win the battle of the sexes. A woman might not be an enemy to conquer--but she is a prize to win over.

Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-

Using a combination of demographics, statistics, game theory, and number-crunching, Dateonomics tells what every single, college-educated, heterosexual, looking-for-a-partner woman needs to know: The "man deficit" is real. It's a fascinating, if sobering read, with two critical takeaways: One, it's not you. Two, knowledge is power, so here's what to do about it. The shortage of college-educated men is not just a big-city phenomenon frustrating women in New York and L.A. Among young college grads, there are four eligible women for every three men nationwide. This unequal ratio explains not only why it's so hard to find a date, but a host of social

"Own that Guy in 60 days" is quite unlike any of the dating self-help books currently on the market. It offers a fresh new perspective on the age old problem of dating. Rather than being written by "experts by training" who shroud their advice in complex dating and psychological theories, Blake Lavak has written an informative book from the unique position of an "expert by experience." This subtle change in author position, results in a potent and compelling book which is based on his own dating experiences, observations and interpretations. Blake captures the attention of the reader from the start, by writing in an honest, open and humorous way about his dating experiences and observations. He presents a book which is thought

provoking, stimulating and motivating. He shares the dating strategies and methods which have been tried and tested by women throughout the ages and brings them to life through four women he considers to be skilled at the dating game. The book challenges prevailing dating advice, which suggests that women take a passive, rather than active, approach to dating. In his book, Blake directly addresses the modern day women's basic confusion which arises from mixed social messages regarding feminism and masculinity. Modern women are encouraged to be masculine in business which equates to being bold, brave and direct, and feminine in their romantic life which equates to being passive, docile, amenable and patient. Blake empowers women to have the confidence to use all of their strengths

through interactions containing both feminine and masculine traits, to ultimately get and keep the man of their dreams. In a novel approach, Blake presents both the successes and misfortunes associated with employing the dating techniques he describes. This allows the reader to decide for themselves how they may adapt and employ the techniques. Blake suggests that women who are successful are bold, but that they are simultaneously subtle and thoughtful in how they do it. Some of the techniques Blake describes may appear shocking and provocative, but the psychological and emotional impact they have on men are real, powerful and long lasting. If practiced, the principles contained within his book will encourage you to proactively engage and connect with the dating process

Pepper Schwartz has always encouraged women to embrace their sexual appetites. After three decades of answering people's questions about their emotional, sexual, and romantic lives; after writing several books on sex and relationships; after thirty-five years as a sociology professor at the University of Washington, she has formed firm opinions about sex and relationships. However, when her own situation changes, when she becomes a single woman after twenty-three years of marriage, she has to reevaluate and discover how sex and dating can work for her at this unique time in her life. Masters and Johnson, the famous sex researchers concluded that you can have sex, and want sex, way into old age, if you never stop doing it. And Pepper is very sure that she never wants to stop doing it. Now,
