Built in almost four hundred thousand units between 1977 and 1985, the "wedge" Giulietta, also known as "116" by Alfa Romeo enthusiasts, is a car that's fondly remembered but hadn't yet had a title entirely dedicated to it. Matteo Licata, Italian car designer

Sports marketing

is not only a global phenomenon, but also a major industry in its own right. This book breaks new ground in that it combines the theory and the practice of sports marketing agreements, which

are at the heart of
the
commercialisation
and marketing of
sport. A particular
feature of this
book is the wide-

including, inter

included and are

also covers the EU
aspects, which are
particularly
important in this
context, especially
collective selling,

agreements; as well as the fiscal aspects of sports marketing agreements in general and sports image rights agreements in particular, which need to be taken into account in order to reduce the

tax burden on the
resulting revenues.
With so much
money at stake in
sports marketing,
the book also
deals with the
important topic of

In deciding
which models
to choose for

inclusion in
this book
selected from
Fiat's huge
inventory, the
author
concentrated
on three
criteria -
greatness,
size and
emotion. Where

Online Library
Haynes Manual
Fiat Multipla Jtd

size is an
easy parameter
to qualify,
greatness is
more
complicated
because it is
a combination
of of both the
manufacturer's
and the
public's

Haynes Manual
Fiat Multipla Jtd

opinion. A car that is highly regarded by the public may not have been a commercial success and vice versa. A truly great car is one that works well for both

Online Library
Haynes Manual
Fiat Multipla Jtd
parties.

Emotion may be considered to be an element of greatness in that the public's 'love' for a car is a fantastic benefit for a manufacturer

Online Library
Haynes Manual

and must be
treasured.

Fiat have made
the mistake of

them.

Online Library

Fiat Multipla Jtd

Fortunately
Fiat has been
magnanimous
enough to
respond by
giving the car
buying public
more of what
it wants. As
long as they
continue to do
so then Fiat's

reputation as
the world's
