Advance Bank Management comprises four modules. The first module on economic analysis explains the micro and macro economics, markets and interest rates, role of money and banking in the economy, inter relationship between fiscal and monetary measures, op Corporate finance is an important component of any study in banking. Since international banking involves meeting the financing requirements of corporates in foreign currency as well as foreign locations, study of international corporate finance is

## Download Free libf Jaiib Mock Test Caiib Mock Test Aml Kyc Mock Test

pertinent to the study of international banking. Many principles of lending that apply to regular/domestic banking also apply to international banking. This book, therefore, covers these general principles. In addition, the book provides information about documentation and law pertaining to international corporates finance, the working of the global capital market, regulatory issues (especially those pertaining to the USA), among others. The book also provides in-depth knowledge about the various instruments of corporate finance viz., futures, options, swaps, etc.
