This pocket guide is the one book to read for everyone who wants to learn about Scrum. The book covers all roles, rules and the main principles underpinning Scrum, and is based on the Scrum Guide Edition 2013. A broader context to this fundamental description of Scrum is given by describing the past and the future of Scrum. The author, Gunther Verheyen, has created a concise, yet complete and passionate reference about Scrum. The book demonstrates his core view that Scrum is about a journey, a journey of discovery and fun. He designed the book to be a helpful guide on that journey. Ken Schwaber, Scrum co-creator says that this book currently is the best available description of Scrum around. The book combines some rare characteristics: • It describes Scrum in its entirety, yet places it in a broader context (of past and future). • The author focuses on the subject, Scrum, in a way that it truly supports the reader. The book has a language and style in line with the philosophy of Scrum. • The book shows the playfulness of Scrum. David Starr and Ralph Jocham, Professional Scrum trainers and early agile adopters, say that this is the ultimate book to be advised as follow-up book to the students they teach Scrum to and to teams and managers of organizations that they coach Scrum to.

In the nearly three years since the publication of the ActivEpi companion text, the authors received several suggestions to produce an abbreviated version that narrows the discussion to the most "essential" principals and methods. A Pocket Guide to Epidemiology contains less than half as many pages as the ActivEpi Companion Text and is a stand-alone introductory text on the basic principals and concepts of epidemiology.

From the bustling square of Jemma el-Fna with its stalls, snake-charmers and musicians to the Koutoubia Mosque, the maze of souks and the Majorelle Garden, Marrakesh has much to tempt the visitor. Berlitz Pocket Guide Marrakesh is a concise, full-colour travel guide that combines lively text with vivid photography to highlight the best that this exciting city has to offer. Inside Marrakesh Pocket Guide: Where To Go details all the key sights in the city, while handy maps on the cover flaps help you find your way around, and are cross-referenced to the text. Top 10 Attractions gives a run-down of the best sights to take in on your trip. Perfect Day provides a day itinerary around the city. What To Do is a snapshot of ways to spend your spare time, from shopping for leather goods, jewellery and carpets to enjoying a massage at a traditional hammam and trekking in the Atlas mountains. Essential information on Moroccan culture, including a brief history of the city. Eating Out covers the city's best cuisine. Curated listings of the best hotels and restaurants. A-Z of all the practical information you'll need. About Berlitz: Berlitz draws on years of travel and language expertise to bring you a wide range of travel and language products, including travel guides, maps, phrase books, language-learning courses, dictionaries and kids' language products.

Each 4x 6 Pocket Guide comes with complete exercises about your state. This easy-to-use reference guide is divided into seven color-coded sections including state basic facts, geography, history, people, places, nature and miscellaneous information. This reference guide is perfect for students in grades 3 and up.

Chances are that if you have ever started on a fitness program you gave it up after a while. You probably began with great enthusiasm and maybe got some good results in the beginning. So why did you give it up? You have probably fallen victim to one (or all) of the big 3 killers of exercise programs: time, money and energy. Let's take a look at all of them to see why they kill progress and what you can do to get back in shape with a program you can maintain. Most programs just take too long. People are too busy and too stressed to devote to an hour or more every day to an exercise routine. For someone with a full time job and family responsibilities it's practically impossible to find even 10 minutes to exercise on most days, not to mention commute back and forth to the gym. The people who promote these time consuming programs make fitness their livelihood so they have all day to train. Beauty: At some point in our lives, each and every one of us will have to start learning a couple of things about makeup. Some women won't feel the need of going through the trouble of using cosmetics every morning, but most of us love this part of the day. A good makeup session will certainly make you feel more confident and it will also make you look better than ever. Check this eBook "Fitness And Beauty" and you will find answers.

Compact and convenient, The Broadview Pocket Guide to Citation and Documentation includes information on MLA, APA, Chicago, and CSE styles of citation and documentation. The second edition has been fully updated to reflect the 2016 revisions to the MLA style of documentation. A wide range of examples are provided throughout the book, and full sample essays in both MLA and APA styles are also included. The book discusses summary and paraphrase as well as direct quotation, and includes an extensive treatment of how to integrate quoted material into the text of an academic paper. There is coverage too of what constitutes plagiarism—and how to avoid it.

(THIS 2007 EDITION FEATURES) ! An updated and extended winery section broken down by country and region, including key facts, best wines, and overall ratings for each listing ! A basic primer on wine appreciation ! Tips on how to judge wine ! A comprehensive description of all the important grape varieties ! A quick reference guide for on-the-spot decisions

The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: • Ownership and borrowing, lifetimes, and traits • Using Rust's memory safety guarantees to build fast, safe programs • Testing, error handling, and effective refactoring • Generics, smart pointers, multithreading, trait objects, and advanced pattern matching • Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies • How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions.

An exceptionally practical book for clinicians who are interested in evaluating and treating eating disorders in children and adults, this guide provides expert guidance in a succinct and accessible format.

Shows and describes frogs, toads, turtles, lizards, skinks, salamanders, newts, alligators, and snakes

Berlitz Pocket Guide Morocco is a concise, full-colour travel guide that combines lively text with vivid photography to highlight the very best that this enchanting country has to offer. The Where To Go chapter details all the key sights, whether you want to explore the markets of Marrakech, kitesurf in wind-swept Essaouira or head for the beaches. Handy maps on the cover help you get around with ease. To inspire you, the book offers a rundown of the Top 10 Attractions in Morocco, followed by an itinerary for a Perfect Tour of the country. The What to Do chapter is a snapshot of ways to spend your spare time, from shopping in the myriad souks to camel rides in the desert. You'll also be armed with background information, including a brief history of the country and an Eating Out chapter covering its delectable cuisine. There are carefully chosen listings of the best hotels and restaurants, and an A-Z to equip you with all the practical information you will need.

This guide book tells the story of a city that the tourists never see, written for those who want to learn about Barcelona, by those who love it. From secret bars to sex motels, it reveals the hidden treasures of the city - where the locals hang out, the hidden corners, the surprising secrets.

"Will leave readers swooning." —PopSugar When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families' age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he'd say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents' pho restaurant, and even there, he is his parents' fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she'd say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they're not willing to admit, including working practically full-time at her family's pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who've avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of

feuding families and complicated histories?

Action is the surest path not only to reaching goals, but to finding the kind of meaning and purpose we desire. It is a kind of back door to the promises of so many philosophies and religions. When we are action-oriented, we forget to notice the missing pieces of our modern world: anomie fades away, change doesn't seem so wildly fast, the news becomes white noise. This book provides insights on how to take action more.

Compact and convenient, The Broadview Pocket Guide to Citation and Documentation includes information on MLA, APA, Chicago, and CSE styles of citation and documentation. Based on the "Documentation" chapter in the acclaimed Broadview Guide to Writing, this volume has been expanded with additional examples and has been fully updated to cover recent changes such as the new MLA guidelines for citing tweets. There is also expanded coverage of plagiarism (and how to avoid it).

Berlitz Pocket Guides: iconic style, a bestselling brand, this is the quintessential pocket-sized travel guide to Guernsey. Plan your trip, plan perfect days and discover how to get around - this pocket-sized guide is a convenient, quick-reference companion to discovering what to do and see in Guernsey, from top attractions like Shell Beach, Fort Grey, Hauteville House and the car-free island of Sark to hidden gems, including La Vallette Bathing Pools, the Victorian Shop and Parlour and the historic Alderney Railway. This will save you time, and enhance your exploration of this fascinating island. Compact, concise, and packed with essential information, this is an iconic on-the-move companion when you're exploring Guernsey. Covers Top Ten Attractions, including Castle Cornet, Sausmarez Manor and the German Occupation Museum, and Perfect Day itinerary suggestions. Includes an insightful overview of landscape, history and culture. Handy colour maps on the inside cover flaps will help you find your way around. Essential practical information on everything from Eating Out to Getting Around. Inspirational colour photography throughout. Sharp design and colour-coded sections make for an engaging reading experience. About Berlitz: Berlitz draws on years of travel and language expertise to bring you a wide range of travel and language products, including travel guides, maps, phrase books, language-learning courses, dictionaries and kids' language products.
