

Relationship Goals

Make the breakthrough you need to take your relationship from good to great with this motivating workbook--the perfect companion to Michael Todd's guide to finding lasting love: Relationship Goals. Realer than the most real conversation you've ever heard in church on the topic, Pastor Michael Todd delivers honest, heartfelt, biblical wisdom for your relationships. Whether you've been married twenty-five years or are just tryin' to break out of the friend zone, this workbook will give you practical tools and provide strategic space for you to reflect in writing on your journey. Take the groundbreaking concepts you received from Relationship Goals and encounter additional coaching to apply them intentionally and impactfully to your life.

Everyone is a stranger at some point, right? Pulled by an explicable, undeniable thread of... something... Nick and Noah find themselves keen on becoming more. Hashtags and flights and late-night text sessions lead to a connection neither has experienced or expected. Beyond the shiny veneer of social media, further than the shallow depths of a good selfie, down to the real, for real stuff that relationships are made of... can Nick and Noah actually reach their prematurely awarded goal? Relationship Goals gave readers access to biblical

Read Free Relationship Goals

wisdom applied with power and precision to all the trappings of modern romance. With uncommon transparency, through storytelling, and with consistent scriptural teaching, Michael Todd helped readers maximize their relationships and develop the necessary aim to reach their goals. Now, in the Relationship Goals Challenge, Todd develops that message in practical, inspiring daily readings, with fresh steps and insights. This resource is ideal for individuals or couples who want to take their relationship to a deeper level with a practical, daily, step-by-step action plan. Relationship Goals is a book about building and maintaining meaningful relationships. We all admire some people whom we think they have a great relationship; this book will help you achieve that dream relationship. Healthy and meaningful relationships start with a commitment to making the relationships we have or want to have meaning and add value to your life. Writing the book was about sharing wisdom and knowledge of 33 years of marriage and raising dynamic girls who are contributing to society.

Relationship Goals How to Win at Dating,

seasons of life around the world. Now, in Relationship Goals, Michael tells his own story of heartache and healing, unpacks explosive truths from God's Word, and tells it to you straight to help you win at relationships in every part of your life. Where did the idea for relationships come from in the first place? Does God really care who I hang out with? Is it even possible to avoid relational train wrecks? From his plan for intentional dating in the age of social media to handling break-ups well to doing family instead of just being in a family, Michael tackles the questions we all have about relational success. Download this book now to get the key insights from this book in 15 minutes.

The New York Times and USA Today bestseller! This eye-opening book challenges you to do the essential work of unpacking your biases, and helps white people take action and dismantle the privilege within themselves so that you can stop (often unconsciously) inflicting damage on people of color, and in turn, help other white people do better, too. "Layla Saad is one of the most important and valuable teachers we have right now on the subject of white supremacy and racial injustice."—New York Times bestselling author Elizabeth Gilbert Based on the viral Instagram challenge that captivated participants worldwide, Me and White Supremacy takes readers on a

Read Free Relationship Goals

28-day journey, complete with journal prompts, to do the necessary and vital work that can ultimately lead to improving race relations. Updated and expanded from the original workbook (downloaded by nearly 100,000 people), this critical text helps you take the work deeper by adding more historical and cultural contexts, sharing moving stories and anecdotes, and including expanded definitions, examples, and further resources, giving you the language to understand racism, and to dismantle your own biases, whether you are using the book on your own, with a book club, or looking to start family activism in your own home. This book will walk you step-by-step through the work of examining: Examining your own white privilege What allyship really means Anti-blackness, racial stereotypes, and cultural appropriation Changing the way that you view and respond to race How to continue the work to create social change Awareness leads to action, and action leads to change. For readers of White Fragility, White Rage, So You Want To Talk About Race, The New Jim Crow, How to Be an Anti-Racist and more who are ready to closely examine their own beliefs and biases and do the work it will take to create social change. "Layla Saad moves her readers from their heads into their hearts, and ultimately, into their practice. We won't end white supremacy through an intellectual understanding

alone; we must put that understanding into action."—Robin DiAngelo, author of New York Times bestseller White Fragility

From #1 New York Times bestselling author Gary Chapman Every marriage is a growing marriage. The real question is: are you growing closer together or further apart? If you're content with the latter, don't change a thing. However, if you desire the kind of marriage that keeps getting better, then you'll need to be intentional. This book will start you in the right direction. A Couple's Guide to a Growing Marriage teaches you how to... Invite God into the details of your life and marriage Listen in ways that deepen intimacy and friendship Understand your spouse and be understood Keep your love fresh and mutually engaging Manage conflict constructively, not destructively In both private and shared-time exercises, you'll explore Bible study, prayer, and Scripture memory. You will learn how to have a brief daily sharing time with your spouse, and you will cultivate deeper friendships with others through group activities. So much more than a personal and group study, A Couple's Guide to a Growing Marriage Bible Study will teach you to share your life more fully with God, and as your relationship with God deepens, so will your relationship as a couple.

I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to

skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter what I do next, someone's going to get hurt. Probably me. -Zoey Blakeland

Editorial Review - Background on Michael Todd
About the Original Book: Many relationships today, Todd explains, are struggling because they are based on misguided ideas peddled by pop culture. Look up #RelationshipGoals on any social media platform and you'll see what culture considers the ideal. But these Instagram-esque shots of couples cuddling on the edge of infinity pools and breathtaking videos of elaborate marriage proposals are not just an illusion, they also divert from what actually makes relationships last. Happy, stable, and rewarding relationships, Todd emphasizes, are built on God's word, not some romanticized ideals. Quoting dozens of Bible verses and illustrating with examples from his life and people he knows, Todd offers a blueprint that believers can use to navigate every aspect of a relationship—from singleness and breaking up to dating and marriage. **DISCLAIMER:** This book is intended as a companion to, not a replacement for, Relationship Goals. of the original book.

Reach your financial goals and reduce the stress in your life with this book of biblical principles by the bestselling author of *The Blessed Life*. Who doesn't want to eliminate financial stress? Who doesn't want to get out of debt, reach their financial goals, experience the joy that God intends for us, and be free to bless others with their resources? In *The Blessed Life*, Pastor Robert Morris teaches that generosity is a key component to being in God's favor. Now, in *BEYOND BLESSED*, he shares the importance of being a good steward, not only with your finances, but with every part of your life. Pastor Morris will motivate you to become a better manager of your money, and provide practical lessons on taking your finances to the next level. Through Biblical principles, personal stories, and incredible testimonies, you will learn how to be a good steward, and that when you properly manage your finances, blessings will pour into all areas of your life. Here is a guide to increasing and going further with what God has given you, and living beyond blessed. A gripping, behind-the-scenes portrait of the rise of Saudi Arabia's secretive and mercurial new ruler "Revelatory . . . a vivid portrait of how MBS has altered the kingdom during his half-decade of rule."--*The Washington Post* MBS is the

untold story of how a mysterious young prince emerged from Saudi Arabia's sprawling royal family to overhaul the economy and society of the richest country in the Middle East--and gather as much power as possible into his own hands. Since his father, King Salman, ascended to the throne in 2015, Mohammed bin Salman has leveraged his influence to restructure the kingdom's economy, loosen its strict Islamic social codes, and confront its enemies around the region, especially Iran. That vision won him fans at home and on Wall Street, in Silicon Valley, in Hollywood, and at the White House, where President Trump embraced the prince as a key player in his own vision for the Middle East. But over time, the sheen of the visionary young reformer has become tarnished, leaving many struggling to determine whether MBS is in fact a rising dictator whose inexperience and rash decisions are destabilizing the world's most volatile region. Based on years of reporting and hundreds of interviews, MBS reveals the machinations behind the kingdom's catastrophic military intervention in Yemen, the bizarre detention of princes and businessmen in the Riyadh Ritz-Carlton, and the shifting Saudi relationships with Israel and the United States. And finally, it sheds new light on the greatest scandal of the young autocrat's rise: the brutal

killing of journalist Jamal Khashoggi by Saudi agents in Istanbul, a crime that shook Saudi Arabia's relationship with Washington and left the world wondering whether MBS could get away with murder. MBS is a riveting, eye-opening account of how the young prince has wielded vast powers to reshape his kingdom and the world around him.

Based on the #1 New York Times bestseller Relationship Goals and the author's wildly popular sermon series, this 30-day challenge helps you take your relationship from good to great! Feeling tired of romantic relationships with no purpose—or looking to put more spark in your long-term love? Pastor Michael Todd draws on the themes of Relationship Goals to give you a month of biblically rich “let's go deeper” challenges designed just for couples. We're not talking simple date ideas or tips on what flowers to buy. We're talking daily Scripture, intentional questions, and victorious outcomes as you get real about seeking God's goals for you individually and together. As Michael looks at three key values of romantic relationships—purpose, healing, and oneness—he helps you find answers to questions like these: • How can we communicate with greater intentionality? • How does our relationship affect who we're becoming as

individuals? • How are we going to fight well, with our greater purpose in mind? • How do we find healing for deep-seated issues? • How do our spiritual lives affect our life as a couple? Take the next thirty days to create new habits that will set you down solidly on the road to meeting your relationship goals. At the end of this month-long challenge, you can look back on the goals you've already met and set new ones to look forward to. So get ready to win in relationship . . . together. Do you accept the challenge?

The New York Times bestselling author of *The Wait* and “spiritual teacher for our times” (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn't just for men. DeVon tells

female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike. "Once the initial intense excitement of a new relationship fades, we tend to think there are only two options: chase the impossible dream of recapturing that early magic or settle for a less than fulfilling love life. In *Quantum Love*, sex and relationship expert Laura Berman, Ph.D., the New York Times best-selling author of eight books including *For Women Only*, *Real Sex for Real Women*, and *The Passion Prescription*, offers a thrilling alternative--a higher level of love beckoning us to move forward, not backward. Using the essential truth we've learned from the study of quantum physics--the fact that at our molecular core, each of us is simply a vessel of energy--she explains how we can use what's happening in our inner world to create a level of passion, connection, and bliss in our relationships that we never imagined possible."--Provided by publisher.

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

Isn't it time you took a stand? Many women struggle with assertiveness, but if you're prone to anxiety and avoidance, it is especially difficult. Grounded in attachment theory, this essential guide will help you identify your thoughts and feelings, balance your emotions, communicate your needs, and set healthy boundaries to improve your life. When you're assertive, you're able to communicate your needs and wishes clearly while respecting yourself and anyone else involved in the interaction. But when you aren't assertive, you may stop yourself from saying anything when your needs

Read Free Relationship Goals

aren't being met, or end up lashing out in hostile or hurtful ways. People with different attachment styles struggle with being assertive for different reasons, and even women with a secure attachment style may have difficulty expressing emotion when faced with challenging circumstances. Using strategies based in mindfulness, cognitive behavioral therapy (CBT), and dialectical behavior therapy (DBT), *The Assertiveness Guide for Women* can help you understand the attachment styles that keep you from asserting yourself. You'll learn about the three communication stances—from the passive Doormat to the aggressive (or passive-aggressive) Sword to the assertive Lantern—and find practical examples that show you how to apply your new communication and emotional awareness skills in your own life. Rather than being caught in a cycle of rumination and regret when you're unable to express yourself or even acknowledge your own needs, you'll be ready to assert yourself and get what you want. Whether you're anxious and overwhelmed by the intensity of your emotions, avoidant and struggle to identify your emotions, or otherwise have difficulty expressing yourself, this book will help you become more aware of your own thoughts and feelings, and empower you

to ask for what you need, set boundaries, and speak your truth for a more fulfilling life.

With her award-winning debut novel, Purple Hibiscus, Chimamanda Ngozi Adichie was heralded by the Washington Post Book World as the “21st century daughter” of Chinua Achebe. Now, in her masterly, haunting new novel, she recreates a seminal moment in modern African history: Biafra’s impassioned struggle to establish an independent republic in Nigeria during the 1960s. With the effortless grace of a natural storyteller, Adichie weaves together the lives of five characters caught up in the extraordinary tumult of the decade. Fifteen-year-old Ugwu is houseboy to Odenigbo, a university professor who sends him to school, and in whose living room Ugwu hears voices full of revolutionary zeal. Odenigbo’s beautiful mistress, Olanna, a sociology teacher, is running away from her parents’ world of wealth and excess; Kainene, her urbane twin, is taking over their father’s business; and Kainene’s English lover, Richard, forms a bridge between their two worlds. As we follow these intertwined lives through a military coup, the Biafran secession and the subsequent war, Adichie brilliantly evokes the promise, and

Read Free Relationship Goals

intimately, the devastating disappointments that marked this time and place. Epic, ambitious and triumphantly realized, Half of a Yellow Sun is a more powerful, dramatic and intensely emotional picture of modern Africa than any we have had before.

"... memoir about what happens when your coming-of-age comes later than expected, from the co-host of the hit podcast Forever35."--Publisher's description.

The Handbook of Relationship Initiation is the first volume to focus specifically on the very beginning stage of relationships – their origin. In this Handbook, leading scholars on relationships review the literature on various processes related to the initiation of relationships: how people meet, communicate for the first time, and begin to define themselves as being in a relationship. Topics include attraction, mate selection, influence of social networks on relationship initiation, initiation over the internet, hook-ups among young adults, and flirting and opening gambits. In addition, the dark side of relationship initiation is considered, including unwanted relationship pursuit and barriers to relationship initiation including social anxiety. This volume provides an overdue

Read Free Relationship Goals

synthesis of the literature on this topic. It is especially timely in view of the growing prevalence on relationship initiation online, through matchmaking and other social networking sites, which has increased awareness that science can be used to understand, create, and facilitate compatible matching. This Handbook provides an essential resource for an interdisciplinary range of researchers and students who study relationships, including social psychologists, communication scientists and scholars of marriage and the family.

In today's fluid culture, many churches are adrift--longing to reach spiritually thirsty people, but failing to make an impact. Have you noticed? Congregations are stuck or declining. Millennials and Gen Z are walking away. Volunteers and their generosity are drying up. Is your city, town, or neighborhood spiritually dry? Do you long to see more of the living water of Jesus flowing freely through your community, generating a fresh wave of ministry momentum? Buckle up: you're in for a whitewater ride! Liquid Church tells the fascinating story of a New Jersey church that began "on accident" and grew into one of America's 100 Fastest-Growing Churches, with over 5,000 in weekly

Read Free Relationship Goals

attendance and more than 2,400 baptisms to date. Their secret? They harnessed the power of six powerful ministry currents sweeping across North America including: special needs, creative communication, ministry mergers, compassionate cause, radical generosity, and leadership development. With powerful stories and scriptural insights, backed by national research, Tim Lucas and Warren Bird describe dozens of fresh ideas, new ministry wineskins, and hard-won leadership learnings that resonate with rising generations in today's "show-then-tell" culture. Each chapter includes practical tools, real-life examples, and links to "Other Churches Making Waves" with cutting-edge ministry ideas designed to help saturate your city for Christ. Ready to dive deeper? Whether you serve a brand-new church plant, fast-growing congregation, or an aging ministry ready for reinvention, Liquid Church is an inspiring and practical guide for leaders ready to reach their spiritually thirsty neighbors--those who have given up on church, but haven't given up on God. Therapeutic exercises to help couples nurture patience, forgiveness, and humor. Considering Jesus's relational model for choosing the twelve disciples, Relational

Read Free Relationship Goals

Intelligence will walk you through how to assess your relationships, define them, discern them, align them, and finally activate your relationships to unlock your greatest potential. Years of ministry leadership experience and personal experience have convinced Dr. Dharius Daniels: there's no such thing as a casual relationship. All relationships are catalytic - either pushing us forward into our God-given purposes or holding us back. Our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. With our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Relational Intelligence is your action plan for getting smart about your purpose partners. Relationships were God's idea, writes Daniels, and when we understand and apply what God has to say about them we end up avoiding unnecessary relational turmoil, advancing in all areas of our life, and accomplishing our God-given purpose. When your purpose is on the line, the cost of relational unintelligence is too great to pay. In this book, you will explore and learn how to activate the relational intelligence

Read Free Relationship Goals

you need for the life of purpose you want. A candid, inspiring guide to finding lasting love by getting real about your relationship goals--based on the viral sermon series about dating, marriage, and sex. Realer than the most real conversation you've ever heard in church on the topic, Michael Todd's honest, heartfelt, and powerful teaching on relationships has already impacted millions. Michael believes that relationships are the epicenter of human thriving. All too often, though, we lack the tools or vision to build our relationships on the wisdom and power of God. In other words, it's good to have a goal, but you can't get there without proper aim. By charting a course that candidly examines our most common pitfalls, and by unpacking explosive truths from God's Word, Michael's debut book will transform a trendy hashtag into a future where your most cherished relationships thrive in relational life, hope, and abundance. Now those are real #relationshipgoals.

See for yourself the relational revolution that can happen in your life as you discover God's desire and design for your relationship with Him. Every day, social media pages are filled with millions of people sharing their desire for a relationship that will bring joy and depth to their life. Maybe you're one of the contributors. But get this: long before the invention of the internet and much closer to the beginning of time, God has been sharing His desire for a relationship with you and me! Garrett Kahrs invites you to share his personal journey in encountering a relationship with God he never knew was possible.

#Relationshipgoals takes a fresh, unique, scriptural approach in seeing God's desire for a relationship with us and ways to say "yes" to the life and love He's always intended. It's

Read Free Relationship Goals

time to begin your journey into God's relationship goals with Him!

Many people know that goals are an important part of living a successful life, yet less than 5% of the population have written goals. This book takes goal setting to the next level, by creating a blueprint of 100 recommended Life Goals. Recognizing that goals need to be much broader than the typical material goals, such as wealth accumulation and materialism, this book represents a balanced approach to goal setting across 10 important life areas, including personal development, health and fitness, friends and family, hobbies and passions, finances, career, adventure, travel, lifestyle, and leaving a legacy. Why not build a life that you can look back at with no regrets, and think, "Wow . . . what a life; I can't believe that I've done all that!" Get inspired, and use this guide book to record your own list of goals, with practical suggestions for Your Target Goals (YTG). This is a must-read book for everyone who has yet to think seriously about planning their life and writing down their goals.

Relationships: An Integral Part of the Human Experience As humans, most of us yearn for fulfilling relationships. They provide unlimited ways for us to learn, grow, thrive, and have

Read Free Relationship Goals

fun! Yet, as we know, relationships aren't always a "bed of roses"—especially romantic ones. They don't make themselves, nor do they continue happily on autopilot once they begin. In this one-of-a-kind book, bestselling authors don Miguel Ruiz, Jr. and HeatherAsh Amara share their seven secrets to healthy, happy relationships: Commitment Freedom Awareness Healing Joy Communication Release Understanding and enacting these principles can help you at any stage in your intimate partnering, whether you've been with someone for many years or are currently single and want to prepare for a relationship. The authors make clear that the principles in this book aren't secrets because they are hidden away, but are more akin to undiscovered focal points that can lead to deeper, more meaningful connections. Part of the secret, as you will see, is in the art of putting these ideas into practice day after day and year after year.

Relationship Goals will be a game changer.”—Levi Lusko NAMED ONE OF THE BEST BOOKS OF THE YEAR BY COSMOPOLITAN

Realer than the most real conversation you’ve ever heard on the topic, Michael Todd’s honest, heartfelt, and powerful teaching on relationships has already impacted millions of people in all seasons of life around the world. Now, in *Relationship Goals*, Michael tells his own story of heartache and healing, unpacks explosive truths from God’s Word, and tells it to you straight to help you win at relationships in every part of your life. Where did the idea for relationships come from in the first place? Does God really care who I hang out with? Is it even possible to avoid relational train wrecks? From his plan for intentional dating in the age of social media to handling break-ups well to doing family instead of just being in a family, Michael tackles the questions we all have about relational success. As he candidly examines our most common pitfalls in relationships and the start-today ways to get past them, Michael helps you align your longings with God’s awesome desires for your life. Now, that’s a good relationship goal. In this New York Times bestseller, Hollywood power couple DeVon Franklin and Meagan Good candidly share their courtship and

Read Free Relationship Goals

marriage, and the key to their success—waiting. President/CEO of Franklin Entertainment and former Sony Pictures executive DeVon Franklin and award-winning actress Meagan Good have learned firsthand that some people must wait patiently for “the one” to come into their lives. They spent years crossing paths but it wasn’t until they were thrown together while working on the film *Jumping the Broom* that their storybook romance began. Faced with starting a new relationship and wanting to avoid potentially devastating pitfalls, DeVon and Meagan chose to do something almost unheard of in today’s society—abstain from sex until they were married. DeVon and Meagan share the life-changing message that waiting—rather than rushing a relationship—can help you find the person you’re meant to be with. *The Wait* is filled with candid his-and-hers accounts of the most important moments of their relationship and practical advice on how waiting for everything—from dating to sex—can transform relationships, allowing you to find a deep connection based on patience, trust, and faith.

Couple Goals: Couple Goals Bucket list Couple goals is a fun Planner for couples that want plan a life time of experiences and happiness

Read Free Relationship Goals

together. Life is a journey with the experiences we share together, so use this planner as a map to help guide your relationship in the right direction. How does Couple Goals work? First make your significant other their favourite drink, and sit down together. Now talk about your goals and dreams together. It can be any thing big or small. Once you have decided on something that you would like to do together, write it down on a contents page (at the start of the book), then find an empty bucket list page and fill out the top section. Once you have completed the bucket list item, go back to the bucket list page and fill out the remaining questions. There is also a space to add photos, tickets or drawing from your experience.

As the United Nations Decade on Biodiversity 2011–2020 comes to a close and countries prepare to adopt a post-2020 global biodiversity framework, this edition of The State of the World's Forests (SOFO) examines the contributions of forests, and of the people who use and manage them, to the conservation and sustainable use of biodiversity. Forests cover just over 30 percent of the global land area, yet they provide habitat for the vast majority of the

Read Free Relationship Goals

terrestrial plant and animal species known to science. Unfortunately, forests and the biodiversity they contain continue to be under threat from actions to convert the land to agriculture or unsustainable levels of exploitation, much of it illegal. The State of the World's Forests 2020 assesses progress to date in meeting global targets and goals related to forest biodiversity and examines the effectiveness of policies, actions and approaches, in terms of both conservation and sustainable development outcomes. A series of case studies provide examples of innovative practices that combine conservation and sustainable use of forest biodiversity to create balanced solutions for both people and the planet.

"From the bestselling author of Relationship Goals, an engaging story to help children navigate relationships with kindness and respect. Drawing on the key ideas that propelled Relationship Goals to bestseller status, Pastor Michael Todd offers an energetic storybook that teaches children about the importance of developing a close relationship with God and how that spills over into healthy relationships with other people"--

• Voted Top 100 Business Book of All Time on Goodreads
People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and

*nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?*

New York Times Bestseller Sarah Jakes Roberts, with life-lessons she's learned and new insights from the story of Eve, shows you how the disappointments and even mistakes of your past can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held solely responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more

like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you to understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons and Sarah as your guide, you discover and work through past issues and questions that haunt you, seeing yourself as God sees you and trusting Him with who you really are, how to come out of darkness and pursue a real relationship with God, why it's important to truly care for yourself, setting in motion the beautiful seed that God planted in you, and running to become who you were meant to be! Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can breakthrough and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

Navigating the Four Critical Seasons of Relationship
The vast majority of young people will still pass through the key phases of singleness, dating, engagement and marriage in their twenties. Yet they are delaying marriage longer than any generation in human history. Why? For the first time in history, the average age for an American woman having her first child, 26, is younger than the average age of her first marriage, 27.

More children than ever are growing up in fatherless homes, despite the overwhelming evidence that in every measurable way this is bad for the child. The Center for Disease Control also recently reported a dramatic rise in sexually transmitted disease nationwide. In Rhode Island alone, since the onset of online dating, reported cases of Syphilis has risen 79%, and HIV has increased by 33%. Though many young people can avoid early pregnancy and STDs, most cannot dodge the depression and feelings of isolation that characterize this modern generation. Studies show a dramatic rise in self-reported loneliness among the young. All of our technological connectivity has not made us feel more connected. In many ways, the very screens that are meant to link us to others have become shields blocking us from the deep intimacy we crave. Many have discovered that where there is a lack of intimacy, addiction often rises to take its place. How can a young person navigate such troubled waters? Is there hope out there? Like a sailor on turbulent seas, we need to look up and see the North Star: the fixed points in the sky whereby we might navigate the objective realities in life. We need the skill-set to know how to journey through life and how to select the right people to journey alongside. In this book we will chart a course through the four relational phases that the vast majority of human beings on the planet will pass through in their twenties: singleness, dating, engaged and married. In each of these phases, we will look at what eternal purposes should be pursued in each

stage, and how to pursue them. SINGLENESSE: DEVOTION DATING: EVALUATION ENGAGED: UNIFICATION MARRIED: MISSION Our desires for intimacy are powerful. This power can be constructive or destructive. Our satisfaction and our safety will be ensured if we can aim these powerful desires toward divine purposes.

*Rest your mind, body, and spirit and focus on God's principles for keeping the Sabbath with this helpful guide from bestselling author Robert Morris. A constant stream of busyness can slowly wear away at us over time: physically, mentally, emotionally, and spiritually. Yet believers often forget that taking a day of rest is one of the Ten Commandments! When we don't give our minds and emotions a break, our will to make good choices can often become compromised. Resting is also important to those around you. If you have a weary soul, you can't pour yourself into others at home, work, or wherever you are. It's vital -- you must take the day off. In *Take the Day Off*, Pastor Morris explains why rest is central to your wellbeing, how to do it, and how helpful it can be. You will be inspired to experience true rest and make it a priority in the rhythm of your weekly schedule. Don't wait and delay God's blessings in your life. Start implementing the principle of rest in your life and you will see eternal benefits.*

We live in the day and age where #GOALS are everywhere on social media and because of this, it is easy to get caught up in the façade that the internet

*creates about love. I am sure at some point throughout the day you see #COUPLES GOALS #MARRIAGE GOALS. I am a firm believer that your #RELATIONSHIP GOALS should be based on your commitment to each other and what works best for the two of you. You should strive to create a relationship that is healthy so that your only #GOAL is to impress each other and create a safe haven for your love. I created the #RELATIONSHIP GOALS journal as an outlet for the two of you to really dig deep into your own love story by being intentional with your thoughts and emotions while putting those feelings on paper. YOUR RELATIONSHIP! YOUR RULES! *Monthly Relationship Activities* Weekly Relationship Meetings* Daily Intimacy Tracker and so much more Grounded in extensive research and clinical experience, this indispensable book addresses the "whats," "whys," and "how-tos" of conducting effective marriage and relationship education. Leading authority W. Kim Halford reviews a range of contemporary models and provides an in-depth description of his own approach, Couple CARE. Session-by-session guidelines for therapists show how to help groups or individual couples—including those facing major life changes or stressors—foster closeness and communication, manage conflicts, and prevent common relationship problems. The book also explains how to use commercially available online assessment tools to help each couple develop their own relationship goals. It includes 35*

reproducible handouts and forms.

From the #1 New York Times bestselling author of Relationship Goals . . . Will you be remembered as a person who claimed to follow God but liked to play it safe? Or as a person who lived your life out on the limb and trusted God enough to live in crazy faith? Noah looked crazy when he started building the ark . . . until it started raining. It was crazy for Moses to lead a nation of people into the desert away from Egypt . . . until the Red Sea parted. It was crazy to believe that a fourteen-year-old virgin would give birth to the Son of God . . . until Mary held Jesus in her arms. There are many things that seem normal or average today that at one point in time seemed absolutely crazy. Smartphones, Wi-Fi, and even the electric light bulb were all groundbreaking, history-making inventions that started out as crazy ideas. Our see-it-to-believe-it generation tends to have a hard time exercising true faith—one that steps out, takes action, and sees mountain-moving results. Many of us would rather play it safe and stand on the sidelines, but it's crazy faith that helps us see God move and reveals His promises. In Crazy Faith, Pastor Michael Todd shows us how to step out in faith and dive into the purposeful life of trusting God for the impossible. Even if you have to start with baby faith or maybe faith, you can become empowered to let go of your lazy faith, trust God through your hazy faith, and learn to live a lifestyle of crazy faith. With powerful stories of modern-day faith warriors who take their cues

from biblical heroes, Michael Todd equips you to • believe for the impossible • choose hope over fear • be alert to the voice of God • cope with loss and doubt • develop a deeper level of trust in God • speak faith-filled declarations • inspire crazy faith in others God's not looking for somebody to give Him all the reasons why His plans can't happen. He's looking for somebody to believe they will happen. In fact, He has so much He wants to do through you. The question is, Are you crazy enough to believe it?
