sexual signals help you find, meet, talk with and date Mister or Ms Right using secrets of nonverbal communication. Fifty photographs clearly show what to watch out for. The essence of courtship and dating conversations is to communicate, with and without words, "This is who I am. I like me. I hope you like me. Show and tell me about yourself so I can discover if I like you." Women - learn how you can easily get noticed, then interest and attract the right type of man, a man you can trust. The way he stands or sits, touches or does not touch himself lets you know if he is telling the truth. The brutally honest chapter is titled Courtship Tactics for women. Men - learn how you can tell from across the room if she's interested in you by her posture and gestures. During conversation, find out if she's leading you on or if she's sincerely interested in you. The brutally hones chapter is titled Courtship Tactics for Men.

Two best friends, Dani and Mandy, want to meet a billionaire and marry him. But so do a lot of other women the world over. The members-only Website was made for women like them: the Billionaires Secret Dating Club. The Club should have made it easier for them but instead it's turned into a back-stabbing pit of jealousy and slander. Will Dani and Mandy ever meet their billionaires with all this competition and sabotage going on? When the young, handsome, and single billionaire Hank Steadman comes to their small town, their lives are turned upside down and the heat is on! Part 1 of 3, all parts are out! Clean romance, no explicit scenes, not much bad language, no violence! Get the parts separately or in the collection. Search Terms: clean and wholesome, billionaires, billionaire romance stories, clean romance

Secrets of Dating After Fifty: The Insider's Guide to Finding Love Again was created to throw a life raft to people over 50 who find themselves single again after being in a marriage or relationship for decades.Two women, one in her fifties, the other in her sixties, take us on a wild ride through their screw-ups and successes as they learn to navigate the waters of dating later in life.

“I signed aboard the Tzaritsa Moon as her second engineer. I ended up a toaster repairman. I was very lucky.” – Rafe d’Mere, from The Secret of the Tzaritsa Moon The Secret of the Tzaritsa Moon marks the long awaited return to the Nine Star Nebula of the Bright Black Sea. This story takes place in the Alantzia star system, the most remote of the eight solar systems. The Alantzia system is known for its many little worlds, moons, and rocks that are reputed to be more like the “lawless” drift worlds than the staid worlds of the Unity. Old spaceers convinced Rafe d’Mere that to fully appreciate the exotic romance of the Alantzian experience, he needed to ship out on one of the small planet traders which call on the eccentric little worlds of the system. So he did, signing aboard the Tzaritsa Moon, under the name Rye Rylr, as her second engineer. On the passage to Fairwaine, Rafe’s swift response to a critical engine failure saved the Tzaritsa Moon. And his life. However, the failure was deliberate, part of a pirate prince’s plan to keep the Tzaritsa Moon from arriving in Fairwaine orbit. And when it did, thanks to Rafe, the pirate prince was not happy. At best, Rafe might expect his memory of the incident to be erased. Erasing Rafe would, however, work just as well. So Rafe needed to get clear of the Tzaritsa Moon and get very lost on Fairwaine until things cooled down. However, while doing so, he crossed orbits with a thief. A girl with a pretty face, who may, or may not, have been a covert agent of the Patrol. She was rather evasive on that point. But she was determined to discover why the pirate prince wanted the Tzaritsa Moon destroyed. And Rafe found that he couldn’t resist helping her. She had a pretty face. The Secret of the Tzaritsa Moon is a cozy SF mystery adventure. It features Rafe d’Mere, ex-Patrol contraband suppression and repair tech, now a spaceer engineer, and Vaun Di Ai, who seems to be a Patrol Lieutenant JG, Intelligence Analyst 2, who had, somehow, escaped her desk job to be an acting covert agent. The story is set mostly on the moon of Fairwaine, and in one of its old fashioned, nonconforming societies. One that uses toasters to make toast.

Karen L. King offers an illuminating reading of this ancient text, said to be Christ’s revelation to his disciple John. In her analysis, the Revelation becomes a comprehensible religious vision—and a window on the religious culture of the Roman Empire. A translation of the complete Secret Revelation of John is included.

From the New York Times and #1 internationally bestselling author of The Distant Hours, The Forgotten Garden, and The House at Riverton, a spellbinding novel of family secrets, murder, and enduring love. During a picnic at her family’s farm in the English countryside, sixteen-year-old Laurel Nicolson witnesses a shocking crime, a crime that challenges everything she knows about her adored mother, Dorothy. Now, fifty years later, Laurel and her sisters are meeting at the farm to celebrate Dorothy’s ninetieth birthday. Realizing that this is her last chance to discover the truth about that long-ago day, Laurel searches for answers that can only be found in Dorothy’s past. Clue by clue, she traces a secret history of three strangers from vastly different worlds thrown together in war-torn London—Dorothy, Vivien, and Jimmy—whose lives are forever after entwined. A gripping story of deception and passion, The Secret Keeper will keep you enthralled to the last page.

Somehow, we have lost our way to understand what the Bible has to say about God’s purposes to save all mankind. The answer is in your Bible, but roadblocks from the evil one have crept into our interpretations and our understanding. There are signs and wonders in Scripture that will open your eyes to fantastic events around us right now - just dig deeper into the Holy Scriptures.

1865. The Civil War is over and the South lies in ruins. But for some, the former slaveholders have not been punished enough. A cabal of powerful men, led by Charles A. Dana, the Assistant Secretary of War, plot to break the spirit of the South once and for all--by convicting General Robert E. Lee of treason and hanging him like a common criminal. To this end, they have convened a secret military tribunal in Lee's former home in Arlington, Virginia. Jeremiah O'Brien of The New York Tribune, a long-time protege of Dana's, is the only reporter allowed to attend the trial. His exclusive reports on this momentous event, and the book he intends to write, will surely make his fortune. Yet as the trial proceeds, pitting the general against his accusers, O'Brien finds himself torn between his loyalty to Dana, his love for a beautiful Confederate spy, and his growing respect and compassion for Lee himself. The young reporter is supposed to be only an observer, but, in the end, it is O'Brien who must evaluate the evidence . . . and determine the true meaning of honor. Written by acclaimed author and historian Thomas Fleming, The Secret Trial of Robert E. Lee brings to life a fascinating chapter in American history that might well have happened--and perhaps truly did. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

There is a great wealth of diversity in the business tort laws of all fifty states and the District of Columbia. The new 2017 Edition of Business Torts: A Fifty-State Guide helps you quickly assess the merits and pitfalls of litigation in any given jurisdiction allowing you to make the best decisions for your clients. In addition to the very significant differences in the statutes of limitation, other significant differences include: Some states have not recognized a cause of action for negligent interference with an economic advantage. Negligent misrepresentation in one state is limited to claims against persons in the business of supplying information to others. One state recognizes a cause of action for -strict responsibility misrepresentation.- Another state recognizes claims of -prima facie tort- for wrongs that do not fit into traditional tort categories. And these are only a few examples of the more significant differences.

What does a free-spirited, fifty-something professional do when she breaks up with her non-committal Buddhist boyfriend and longs for a life partner? She holds a ‘letting go’ ceremony with the boyfriend, challenges herself to go on 50 dates, takes a few lovers, and voila! Finding Mr. Right becomes a sexy dating project. Set in the SF Bay Area world of personal growth workshops and spiritual ceremonies, Fifty First Dates after Fifty traces the adventurous path of Carolyn’s universal quest for love. The goal of fifty pulls her forward through the highs and lows of dating—magical and ecstatic, pining and painful—while her heart soars, falls, and keeps on going. Buoyed by her dating project, she avoids settling for the wrong guy, discovers the type of man she wants, reconciles a love of independence and sex with her desire for commitment and emotional connection, and finds the unique partner for her. This upbeat memoir about the search for a partner in midlife is also a celebration of a woman’s unabashed sexuality. Erotic in places, funny in others, it offers a positive view of dating as an enjoyable journey of self-discovery and self-love along the way to one’s own Mr. Right.

Burial sites have long been recognized as a way to understand past civilizations. Yet, the meanings of our present day cemeteries have been virtually ignored, even though they reveal much about our cultures. Exploring an extraordinarily diverse range of memorial practice - Greek Orthodox, Muslim, Jewish, Roman Catholic and Anglican, as well as the unchurched - The Secret Cemetery is an intriguing study of what these places of death mean to the living. Most of us experience cemeteries at a ritualized moment of loss. What we forget is that these are often places to which we return either as a general space in which to contemplate or as a specific site to be tended. These are also places where different communities can reinforce boundaries and even recreate a sense of homeland. Over time, ritual, artefact and place shape an intensely personal landscape of memory and mourning, a landscape more alive, more actively engaged with than many of the other places we inhabit.

This volume contains 22 papers from the Society of Biblical Literature's 1995 commemoration of the 50th anniversary of the discovery of the Nag Hammadi Library, with special focus on the Apocryphon of John, the Gospel of Thomas, and the Gospel of Philip.

The Rules meets the Torah in Dating Secrets of the Ten Commandments, a fresh, sane look at the dating game by Shmuley Boteach, author of the bestseller Kosher Sex. Does the whole business of dating fill you with dread? Do you fear that romance always ends in rejection? Do you prefer the company of your cat to that of members of the opposite sex? Does life in Antarctica suddenly seem very appealing? Don't despair! Shmuley Boteach will show you that lasting love is indeed within your reach, whatever your age, faith, or situation. Drawing on the ancient wisdom of the Ten Commandments, this book describes how to: Turn your date into a meeting of mind, body, heart, and soul Make your date feel like the happiest person in the world--because he or she has you! Enhance your attractiveness by maintaining mystique Become a heart-maker rather than a heart-breaker Know when you have found a loving soul mate rather than just a partner The Ten Commandments are the ultimate plan for fulfillment and contentment. In applying the timeless wisdom they contain to dating and romance, Shmuley Boteach will help you discover the joyful rewards of making someone else happy.

Content: A Word on Dating 5 Things Women Want Types of Women Women to Avoid Like the Plague Building Your Confidence The No Fear Approach The First Date Becoming Mr. Right Final Words

We could call this book "Special Operations Recon Mission Impossible." A small group of highly trained, resourceful US Special Forces (SF) men is asked to go in teams behind the enemy lines to gather intelligence on the North Vietnamese Army units that had infiltrated through Laos and Cambodia down the Ho Chi Minh trails to their secret bases inside the Cambodian border west of South Vietnam.

The covert reconnaissance teams, of only two or three SF men with four or five experienced indigenuous mercenaries each, were tasked to go into enemy target areas by foot or helicopter insertion. They could be 15 kilometers beyond any other friendly forces, with no artillery support. In sterile uniforms - with no insignia or identification, if they were killed or captured, their government would deny their military connection. The enemy had placed a price on their heads and had spies in their Top Secret headquarters known as SOG. SOG had three identical recon ground units along the border areas. This book tells the history of Command and Control Detachment South (CCS). The CCS volunteer warriors and its Air Partners – the Army and Air Force helicopter transport and gunship crews who lived and fought together and sometimes died together. This is the first published history of CCS as compiled by its last living commander, some forty years after they were disbanded. It tells of the struggles and intrigue involved in SOG’s development as the modern-day legacy of our modern Special Operations Commands. Forbidden to tell of their experiences for over twenty years; their After Action Reports destroyed even before they were declassified – surviving veterans team together to tell how Recon men wounded averaged 100 percent; and SOG became the most highly decorated unit in Vietnam and all were awarded the Presidential Unit Citation.

Business Torts: A Fifty State Guide, 2021 Edition provides the most recent statutory and case law developments on business torts laws for each of the fifty states and the District of Columbia. Practitioner-oriented, and written by leading state experts, each chapter summarizes the variants and developments particular to a specific state jurisdiction. You will find detailed coverage of each state’s standards regarding: misappropriation of trade secrets; tortious interference with contracts; fraud and misrepresentation; trade libel and commercial disparagement; breach of fiduciary duty; officers and directors liability; conversion; unfair competition, fraudulent transfer; economic loss; and statutes of limitation. The 2021 Edition incorporates recent changes in the law of the various states, including: The Nebraska Supreme Court has recognized the tort of trade libel and commercial disparagement in a long-awaited landmark case. The Missouri legislator amended the Missouri’s Merchandising Practices Act to require a consumer bringing a claim under that act to establish that they acted as a reasonable consumer would in light of all circumstances and that the business practice alleged to be unlawful would cause a reasonable person to enter into the transaction that resulted in damages. The Florida Ninth Judicial Circuit has reopened its "Business Court", a division of the Court which handles exclusively business matters. The Business Court was closed in 2017 due to budget constraints. The Hawaii Supreme Court held that a plaintiff may claim equitable tolling for fraudulent concealment. State Laws Included: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Connecticut, Delaware, Florida, Georgia, Hawaii, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, Wyoming. Note: Online subscriptions are for three-month periods. Previous Edtion: Business Torts: A Fifty State Guide, 2020 Edition, ISBN 9781543806908

Published in 1962, Doris Lessing's The Golden Notebook merits fresh theoretical, geopolitical, autobiographical, and aesthetic approaches. Prompted by the novel's golden anniversary, the twelve essays collected in this volume provide fresh analyses along with appreciative memoirs for 21st century readers of this well-known masterpiece.

Have you been in a relationship where you put the needs of the man before yours only to discover he's been stepping out with your best friend, enemy, or a family member? Are you gullible, believing everything your man says? Are you still in your relationship because you are comfortable? The reclusive life of former homicide detective Brenda Corrino has suddenly leaped from post-traumatic stress disorder recovery to something much more interesting. Murder! Her ex-partner was investigating the bizarre murder of a college student when he inadvertently let his guard down and now, he remains comatose in a hospital. She investigates as she tries to come to terms with being raped and nearly murdered while working undercover two years earlier. While broadening her investigation, more former students from the same school are ending up dead. When consoling a young widow left behind by the killer, Brenda unearths the deep dark secret that the students have been hiding from her and everyone else outside their circle.

Blind Them.with SCIENCE! Based entirely on interviews with an incredible lineup of luminaries from the fields of neuroscience, economics, anthropology, music, mathematics, and more, Brain Trust is full of cutting-edge science that ' ll help you see the real world better--and smarter. Discover: --what advanced math can teach you about getting all your chores done today --how creating a ' future self ' can help you shop smarter at the grocery store --what prairie voles can teach us about love --how the science of happiness can help you trick lawyers into doing charity work --the components of gullibility, and how they can help you scam-proof yourself --the secrets to building your very own army of cyborg beetles --how memetic information can help you exploit altruism for good.or evil --why eating for eight hours can help you lose weight --the behavioral economics behind selling your junk for big bucks on eBay --how to get more plasure for less price .And much, much more.

This work addresses the questions concerning the crucifixion/resurrection story, the legends of Jesus in India, Tibet and China, and the unique style and content of the Fourth Gospel. The "street theatre" style of the Hebrew prophets grounds the belief that Jesus also employed drama to proclaim his visions. To encourage his people who were suffering under cruel Roman oppression, he dramatized Isaiah's "Suffering Servant" poem that climaxes with his rescue/resurrection-a promise that God will rescue Israel. Isaiah's "Missionary Servant" poem inspired him to carry his Gospel into new lands. The Syrian Acts of Thomas and more recently discovered material detail his secret ministry to India, Tibet, and China. There, his spirited exchanges with Hindus, Buddhists, and Taoists have enriched the Gospels and may have affected the evolution of eastern religious and philosophical thought, particularly that of Mahayana Buddhism. The book's discussion provides evidence that Jesus was a pioneer of interfaith dialogue and a prophet of world spirituality who inspires us to build a world community of justice, peace and love for people of all faiths. It is appropriate for college and university classes in Bible and Qur'an studies, contemporary theology, and current religious issues.

Can a person change their outlook on Christmas and the self- centeredness they have towards gift-giving? What events would need to occur in your life thatd take you to the realization that theres more to life than . . . stuff? Year after year, as a child, Allen and his Daddy went Christmas shopping together and both wished upon an age-old wishing well. Allens wish was consistent year after year. He never knew his Daddys secret wish, and may never know . . . until now. Life was hard, money was tight. In Allens eyes; no ones life was as bad as his. Scarred by tragedies of Christmas past, and the certainty of future disappointment, his outlook on Christmas continued to deteriorate each year. Hed lost the most important people in his life, and is now facing the loss of the one person whos meant the most to him, his Daddy. A tragic workplace accident has put Daddy in the emergency room. Its this accident thats forced him to reflect on Christmases past. Facing the potential of Daddys mortality, will Allen discover his Daddys secret Christmas Wish? Will Allen realize the true meaning of giving? Will Allens Daddy acquire his secret Christmas Wish?

(So popular, we've published a second edition!) Did you ever think you'd be in the dating trenches at this point in your life? It's tough and it's completely different than dating when you were younger. No one hands you a rulebook. Until now... Lisa Copeland, the expert on over 50's dating, has been right where you are. Her new book puts the dating tools and skills she teaches her clients into 7 easy steps. Whether you've been dating for years and could use a boost or you're just getting started in the dating game, the information in this book will be your guide for navigating this new world of dating over 50. Lisa walks you through: * The rules for dating at this age. * How to interpret male behavior. * Getting a clear vision of the man you want in your life. * How to increase your dating confidence. * The in's and out's of online dating - writing a profile, contact with men, and turning online flirtation into great dates. * How to stay safe and avoid dating scams. * A dating blueprint to put your new knowledge into action. After reading, you'll know: * How to get a date with a man you are interested in. * The exact etiquette for dating after 50 - who pays, when to have sex and how to get a second date. * How to write an online dating profile that will have men lining up to meet you! * Who the right kind of man is for you... And who is NOT the man for you. * What makes YOU (yes, you) irresistible to men.

There is a great wealth of diversity in the business tort laws of all fifty states and the District of Columbia. The new 2019 Edition of Business Torts: A Fifty-State Guide helps you quickly assess the merits and pitfalls of litigation in any given jurisdiction allowing you to make the best decisions for your clients. In addition to the very significant differences in the statutes of limitation, other significant differences include: Some states have not recognized a cause of action for negligent interference with an economic advantage. A history of our time.

Natalie Parker pretended to be old and ugly at work until one trip to the doctor meant she might be pregnant. Galen Morgan doesn ' t need a wife. He ' s already tried that route, and it didn ' t work. By day, he ' s a cool, calm, confident real estate developer who is raking in billions of dollars. By night, he dates bad girls to keep his loneliness at bay. But when he hooks up with a bad girl at his brother ' s wedding, he finds himself at the center of a situation he never imagined possible. Natalie Parker is just trying to keep her job. If that means she has to disguise herself to keep a roof over her head, then that ' s what she ' ll do. But when she runs into her boss in the unlikeliest of places--the gynecologist ' s office--she ' s forced to confess her secret and hope for the best. Unfortunately, fate isn ' t done with her quite yet. There ' s another surprise coming down the pike, one where she might end up being pregnant even though she ' s never touched anyone in the House of Morgan. And this time, secrets could change everything, including her relationship with her boss. Will Galen and Natalie ' s shared mishap lead them to love or more trouble for the both of them? This story is Jane the Virgin meets the family drama only found in the House of Morgan. One Click to Get Your Copy Today! Eighteen-year old Bailey meets Sam, a young man who wants to take his high-school garage band to the big time and he wants Bailey to help them do it, but Bailey is not sure what she wants or where she stands with Sam.

-- Colonel Sanders and Pete Harman are real people who coped with real business challenges and they had a ball! Share in their adventure and learn that just doing the right thing can pay off in a big business that will endure. -- A business book that provides the reader with easy to read, easy to understand information about how to build a business and maintain it regardless of tough times. -- At the heart of the KFC story is how Colonel Sanders and Pete Harman built a global business based upon motivating their employees, rewarding employees through profit sharing (before American business understood the concept), giving women opportunities and developing their talents (before Affirmative Action), and in the end revolutionized the restaurant business. An American icon celebrates 50 years because Colonel Sanders and Pete Harman put people first, implemented an urgency for excellence, and paid attention to every detail of their restaurant business. These business secrets and practices are written in an easy to read story that is engaging and a delight to anyone interested in growing a business. Colonel Sanders chose Pete Harman to go forward with his "secret recipe" and Pete did, eventually acquiring more than 300 franchises. The story chronicles the early days, the tough times when KFC was owned by corporations that didn't understand the food business. There were lawsuits and hard feelings until spin-off, Tricon Global Restaurant Corporation, emerged with a leader committed to quality food and relationships with customers and franchise. After settling all of the lawsuits, David said to Pete, "Now teach me the restaurant business." Pete did. Today Tricon is regarded as a highlysuccessful international business and KFC maintains a restaurant stronghold on every continent in the world.
