*I walked into the examination room, removed my coat and purse, hanging it on the wall hook, sitting down on the blue chair. I couldn't wait to see him again. I wanted to show him my progress and I couldn't wait until he asked me questions about how I found them. How does he hold that stern, serious doctor persona so well, when I know he truly wants to fuck me so bad? He only wants me to practice using the Ben Wa balls to stretch myself enough to take his full cock someday. I had two weeks to practice the Kegal exercises and I gave it 100% effort. I did them while watching tv and eventually started walking around the house with them in. I got so comfortable with them, that I decided to risk going to the bank with them still inside me. I couldn't wait to tell the doctor about my progress. See what happens when Dr.Kellis does his second examination on me. Eventually, it's just the two of us left in the office building as the remaining staff leaves early to make their flight. He sent a very subtle hint, inviting me to stay a little longer. I picked up on his invitation and let him know I had no place important to be.*

No soy una gran creyente en el romance. Ciertamente no soy el tipo de mujer que se emborracha, conoce a un hombre y se va a Reno esa misma noche a casarse. Pero el Dr. Sexy, Jack Stratton, cambió todo eso. Aunque fuera una mentira. Ok, nuestra relación era tan falsa como un bronceado artificial. Todo es para alardear frente a nuestros ex, hacerlos darse cuenta lo mucho que nos extrañan. ¿Qué puedo hacer si Jack es demasiado apuesto y me sonrojo con solo estar cerca de él? Y cuando me sonrío ... Quizás debí apodarlo Dr. Calienta bragas. Y lo admito, parte de mí está completamente enamorada de él. ¿Cómo no puedo estarlo cuando me dice que tenemos que pasar tiempo juntos. Tenemos que mantener el engaño. Tenemos que besarnos en privado para que se vea bien en público. Cuando mi ex finalmente recibe el mensaje un mes después de nuestra "boda", a mí me quedan dos opciones. Regresar con el hombre que todo el pueblo dice que es bueno para mí... o reunir mi valentía e ir en una nueva dirección. Una dirección que incluye a Jack y yo juntos.

**Book 3: Doctor by day. Ghost Whisperer by night =** With marriage, love, and loss on the forefront, Vickie discovers some unsettling and almost lethal lies and secrets about people who she thought were friends and more while she develops her abilities to communicate with the spirit world. With the help of her deceased aunt and her witch friend, she sets out to rid her home of the evil entities who settled there. Will she succeed.  
**Book Three picks up where Book Two left off as the romance, thrills, and chills continue to entertain you from beginning to end.**  
**Book 4: Doctor by day. Vampire Medic by night =** It's another page turner! With the vampire virus in both her and her newborn son, she races to find a cure before they both turn. Her research is halted when Dracula's grandson discovers her talent and she is sequestered to find a cure for an epidemic that is plaguing his vampire kingdom. Will she find it in time to resume her research and find a cure before she or her son become vampires? After losing not one, but two husbands, Vicki vows to stay single. But will that vow hold true? Will she finally be happy in love and life? These questions and more are addressed in the final installment of the exciting and harrowing adventures of Dr. Vickie Anderson.
