The four of them are devoted to Mother Roberta and to their quiet, purposeful life. But when the parish goes broke, the sisters are forced to move. charges, such as the jawless Tim Gary and the headstrong Lawnmower Jill. Agatha is forced to venture out into the world alone to teach math at a local all-girls high school, where for the first time in years she has to reckon all on her own with what she sees and feels. Who will she be if she isn't with her sisters? These women, the church, have been her home. Or has she just been hiding? Disarming, delightfully deadpan, and full of searching, Claire Luchette's Agatha of Little Neon offers a view into the lives of women and the choices they make.

***The Little House is set in the early years of the Showa era (1926-89), when Japan's situation is becoming increasingly tense but has not yet fully immersed in a wartime footing. On the outskirts of Tokyo, near a station on a private train line, stands a modest European style house with a red, triangular shaped roof. There a woman named Taki has worked as a maidservant in the house and lived with its owners, the Hirai family. Now, near the end of her life, Taki is writing down in a notebook her nostalgic memories of the time spent living in the house. Her journal captures the refined middle-class life of the time from her gentle perspective. At the end of the novel, however, a startling final chapter is added. The chapter brings to light, after Taki's death, a fact not described in her notebook. This suddenly transforms the world that had been viewed through the lens of a nostalgic memoir, so that a dramatic, flesh-and-blood story takes shape. Nakajima manages to combine skillful dialogue with a dazzling ending. The result is a polished, masterful work fully deserving of the Naoki Prize. An enlightening narrative exploring an oft-overlooked aspect of the***

*sixteenth president's life, An American Marriage reveals the tragic story of Abraham Lincoln's marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded "connubial bliss" as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: "I want to punish the young man—probably in less than a year he will wish I had withheld the pardon." Based on thirty years of research, An American Marriage describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5'2" Mrs. Lincoln often physically abused her 6'4" husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly. Unlike her husband, she was not profoundly opposed to slavery and hardly*
