

## *The Memoirs Of Dolly Morton*

A selection of delicious novelettes explore Southern delights from plantation scandals in Charleston to the modern depravities of Cheluna and Port Xantra. Perfumes of rich blossoms and warm flesh mingle in the adventures of a well-disciplined black beauty and her fair-skinned girlfriends, while leather-booted captains ponder the impudence of pretty offenders under their command. From sumptuous Southern mansions to the stone vaults of retribution, these tales tingle with ordeal and release. This is supposed to be a true tale of pre-Civil war slavery in the USA. It is probably more realistic of the slave's life, than the fraudulent tale in Harriet Stowe's Uncle Tom's Cabin. \*\*\*\*\*Excerpt: The most heroic episodes in the history of the American people are bound up with the efforts to destroy the system of slavery which was the worst of many bad legacies bequeathed the Republic of the United States by the British Government. Happily, by Ordinance of Congress in 1787-the same year in which the Constitution was adopted-slavery was abolished or forbidden in the vast northwestern territory out of which so many great states since have been carved. Then, by the Compromise of 1820, a certain line was fixed beyond which current slave empires would not be permitted to extend. However, the odious institution of slaveholding still persisted in the South, and, while most politicians were trying to put off the "irrepressible conflict," as Seward called it, private help was being given by

benevolent people all over the northern states to those slaves who were both brave and daring enough to attempt escape. Indeed, some persons, who were so interested in the abolitionist movement that they willingly risked their own freedom to help their unfortunate, dark-skinned fellow-humans gain theirs, organized what since has gone down in history as the "underground railroad."

THE STORY OF A WOMAN'S PART IN THE STRUGGLE TO FREE THE SLAVES! An Account of the Whippings, Rapes, and Violences that Preceded the Civil War in America. With Curious Anthropological Observations on the Radical Diversities In the Conformation of the Female Bottom and the Way Different Women endure Chastisement. NOW ISSUED FOR THE FIRST TIME

Set in mid-nineteenth century America, Dolly's story is of the fight against slavery in the deep south, and her own struggle against exploitation by men both enslaved and free. She eventually finds the love she has searched for in the virile person of Captain Franklin.

The Memoirs of Dolly Morton is perhaps one of the most uncompromising works published by the infamous Charles Carrington during the latter part of the 1900's. Recounting Dolly's misadventures while intent on freeing slaves in the southern states, the work leaves nothing to the imagination.

Whilst her narration of the events and chosen chapter headings show an almost fact-like detachment, Dolly describes other events in a visceral prose that exemplifies the evils man can wrought upon man. Only by enduring the hardships herself, will Dolly understand the plight that all slaves suffered. Pseudonymously written by 'Jean De Villiot' in 1899, this edition includes a rare preface from the same year by the original publisher describing the events surrounding this tumultuous period in American history. An important edition for any Victorian erotic collection.

“Susan Choi...proves herself a natural—a writer whose intelligence and historical awareness effortlessly serve a breathtaking narrative ability. I couldn't put American Woman down, and

wanted when I finished it to do nothing but read it again.” —Joan Didion A novel of impressive scope and complexity, “American Woman is a thoughtful, meditative interrogation of...history and politics, of power and racism, and finally, of radicalism.” (San Francisco Chronicle), perfect for readers who love Emma Cline’s novel, *The Girls*. On the lam for an act of violence against the American government, 25-year-old Jenny Shimada agrees to care for three younger fugitives whom a shadowy figure from her former radical life has spirited out of California. One of them, the kidnapped granddaughter of a wealthy newspaper magnate in San Francisco, has become a national celebrity for embracing her captors' ideology and joining their revolutionary cell. “A brilliant read...astonishing in its honesty and confidence,” (Denver Post) *American Woman* explores the psychology of the young radicals, the intensity of their isolated existence, and the paranoia and fear that undermine their ideals.

A dramatic story of WWII espionage, betrayal, and loyalty, by the #1 bestselling author of *Life After Life*. In 1940, eighteen-year old Juliet Armstrong is reluctantly recruited into the world of espionage. Sent to an obscure department of MI5 tasked with monitoring the comings and goings of British Fascist sympathizers, she discovers the work to be by turns both tedious and terrifying. But after the war has ended, she presumes the events of those years have been relegated to the past forever. Ten years later, now a radio producer at the BBC, Juliet is unexpectedly confronted by figures from her past. A different war is being fought now, on a different battleground, but Juliet finds herself once more under threat. A bill of reckoning is due, and she

finally begins to realize that there is no action without consequence. Transcription is a work of rare depth and texture, a bravura modern novel of extraordinary power, wit and empathy. It is a triumphant work of fiction from one of the best writers of our time.

Sharpening Her Pen demonstrates how six early modern authors exploit, or evade, a rhetorical discourse founded upon images, tropes, and dialectics of violence to secure authorization for their work as writers and empowerment for the personal agendas unique to each of them. Rhetorical violence functions both as a literary phenomenon, facilitating the polemics of each author, and as an analytical methodology enabling scholars to derive meaning from a particular organic facet of a writer's intellectual structure. The subjects of the study represent a balance between writers who have received considerable scholarly attention (Elizabeth I, Aemilia Lanyer, and Lady Mary Wroth) and those who have received relatively little (Anne Askew, Anne Dorwiche, and Lade Anne Southwell).

Exercising rhetorical strategies that reflect their idiosyncrasies as intellectuals, they share a canny awareness of the persuasive power, of violence in their age as physical reality and as metaphor.

Andrew Morton uncovers the true story of the biggest celebrity of our age. Everyone knows Tom Cruise—or at least what he wants us to know. We know that the man behind the smile overcame a

tough childhood to star in astonishing array of blockbusters: Top Gun, Rain Man, Born on the Fourth of July, A Few Good Men, Jerry Maguire, several Mission: Impossible movies, and more. We know he has taken artistic chances, too, earning him three Academy Award and Golden Globe nominations. But beyond that, the picture becomes a bit less clear... We know that Tom is a devoted follower of the Church of Scientology. We know that, despite persistent rumors about his sexuality, he has been married to Mimi Rogers, Nicole Kidman, and Katie Holmes. But it was not until he jumped on Oprah's couch to proclaim his love for Katie and denounced Brooke Shields for turning to the "Nazi science" of psychiatry that we began to realize how much we did not know about the charming, hardworking star. For all the headlines and the rumors, the real Tom Cruise has remained surprisingly hidden—until now.

Examines in detail the trial of a young physician who was accused of hiring an assassin to kill her husband in the presence of their 4-year-old daughter and looks at the many issues surrounding events that played out in a court located in a Bukharan-Jewish community in Forest Hills, Queens, New York. By the author of Two Lives: Gertrude and Alice.

The award-winning author of *The Winter Zoo* analyzes the American traditions of cutting loose, "partying" or engaging in mischief to take breaks from work and sobriety, describing the activities of earlier centuries while sharing stories about the entertainments of the modern world.

*The Sins of the Cities of the Plain* (1881) is an erotic novel attributed to Irish prostitute Jack Saul.

Published by William Lazenby, a prominent printer of Victorian erotica, *The Sins of the Cities of the Plain* is considered to be one of the first works of literature dedicated to homosexuality in the English language.

“Saul, Jack Saul, sir, of Lisle Street, Leicester Square, and ready for a lark with a free gentleman at any time. What was it made you take a fancy to me? Did you observe any particularly interesting points about your humble servant?” as he slyly looked down towards the prominent part I have previously mentioned.” Having met by chance at Leicester Square, Jack Saul, a successful prostitute—colloquially known as a “Mary-Ann” or “rentboy”—agrees to

accompany Mr. Cambon to his home at the Cornwall Mansions. After sharing a meal, the two men get down to business, exploring their young bodies and devoting themselves to pleasure. Curious about Jack's past, Cambon offers him money to share the story of his life. With a beautifully designed cover and professionally typeset manuscript, this edition of Jack Saul's *The Sins of the Cities of the Plain* is a classic work of Victorian erotic fiction reimagined for modern readers.

Annotation "The 10 essays in the volume engage a rich array of topics, including obscenity in the German States censorship in France's third republic, she - male"" internet porn, the use of incest was longings in England."

From the same pseudonymous and libidinous pen that brought us the notoriously graphic 'Memoirs of Dolly Morton' comes five tales of delicious deviance. Whilst flagellation is the focal point of each work, particular lip service is paid to those forbidden acts that flow natural therefrom, and no aperture is spared from the most invasive of inspections. From unruly princesses to belligerent maids, young maidens married off to the old and wealthy to servant girls servicing their lords, no class or age is left wanting in this wonderfully lascivious collection replete with all manner of naughty deeds and devices. Published by the infamous Victorian publisher Charles Carrington in 1903, this rare collection, presented herein with all five complete
