Leslie Ludy, popular writer and speaker, has a powerful message for today’s single adults. Through personal experience and in interaction with thousands of young women over the past fourteen years, she has found that most Christian young women fall into one of two categories: those who are discontent and unfulfilled, constantly searching for the “right one,” and those who are consumed by a passionate romance with Jesus Christ and are living joyful, satisfied lives. Her desire is to help readers move toward the totally surrendered and fulfilling experience rather than one of striving and disappointment. Leslie shares firsthand stories and testimonials of modern-day single women who may sometimes struggle with loneliness and personal desires but who, in following God’s plan for them, have discovered a deeper delight, purpose and true joy in their lives. *Sacred Singleness* gives every single woman the inspiration to live counter to the culture and find amazing opportunity in this sacred season.

I will view cooking as an experience, not a chore. I can cook and be sexy while doing it. I will prepare meals for my family and friends with love and care in mind. I will not emulate my mother in the kitchen. She has her way; I have mine. I will acknowledge that cooking doesn't happen. Planning is a must! I will involve my sweetie and my children in cooking. This book was written for a particular woman. She's articulate, adventurous, uncommon, a little quirky (in the best way), and at the same time simply amazing. She's a visionary, successful, determined to be her best self, a true goal-getter and knows how to strategize her life in the perfect way to achieve her dream results. She's phenomenal and has confidence in every area of her life, except for one: love. No matter how many times she does the math, she can't calculate why she's still single. Before you judge her, know that she's done her best to put it in God's hands, time and time again. She's been praying for her soulmate, yet she continually finds herself dating guys who are either the furthest thing from what she wholeheartedly desires or an endless string of counterfeits. Yep, she's over it, but the greatest question is, is "she" you? This book is for her - this book is for that woman. And while I call her a "rare breed," God calls her "daughter." If you're looking for the sage wisdom of an author who's been there and done that, look no further. Kimberly Michelle is your new go-to girlfriend for advice on all things dating related. Dating in the age of narcissism is harder than ever, and nowadays women can't seem to recognize the three obvious flags inherent to dating—the red flags, the yellow, and the green. Never fear! Michelle is here to lay it all out for you. Whether you are a divorcee, newly single, a single mom, or a soon-to-be married woman, this book is for you. It functions as a quintessential primer to allow modern women everywhere to get ahold of their relationships. A testament to the author's many failed and successful relationships over the past twenty years, Michelle sets out to help you get the relationship you want and deserve.
