

The Ultimate Edition

Collects the original Star Trek manga trilogy, with a bonus comic that takes the manga further than it has ever gone before. 40,000 first printing.

Ai, the royal princess of Ai-Land, escapes her kingdom after a revolution and finds herself in modern-day Tokyo.

The second volume in Stanek's Ruin Mist Chronicles follows elves Seth and Galan and their attempts to sway Great Kingdom's leaders to stop the coming darkness.

Terror awaits the people of Tokyo, with gruesome lessons only the dead can teach. Anna almost descends to the dark side when she follows the suicidal Rei down an escalator to hell.

Seiya pulls her back, but will they make it out of Tokyo's secret metro lines in time to escape Rei and the ghosts who inhabit the Tokyo underground? A waitress at a maid cafe sparks

jealousy. A mother who can't handle the responsibility of raising her child commits a horrible crime. An ancient sword awakens a psychotic samurai. And finally, the solemn guide Seiya

reveals his own tragic past and the nature of his gifts that are his curse.

Follow the thrill of Ron, Alamanda, Eliza and Andrew as their family faces the most intimidating phase of their lives. A man has turned their lives into a living hell. Is this person a spirit? Is it a phasmo? Or is it very much alive? Experience the thrill all at once and find out the answer to the biggest mystery in horror history. "Who is the man in the black cloak?" This special edition is a compilation of the first 3 parts with special re-edits and insights by the author. The book contains A Knock on the Door, A Knock on the Door 11 and A Knock on the Door 7734.

It's Eloise's sixtieth birthday—though she's still not a day over six. Celebrate with a beautifully illustrated hardcover edition of the original classic storybook with gobs of bonus material! Eloise is a very special little girl who lives at The Plaza Hotel in New York City. She may not be pretty yet, but she's definitely already a real person. She loves learning about people who aren't boring. Take Eloise home with you and she'll introduce you to life at The Plaza. You'll be glad you did! In the front of this book we have printed the original Eloise story and pictures, and in the back of it there are sketches and stories by Mr. Hilary Knight (the illustrator), photographs of Miss Kay Thompson when she was young and fabulous and rather like Eloise, and absolutely loads of information that you simply can't get anywhere else. Here's the thing: Whether you are just about to fall in love with Eloise or have already baked her a cake, you ought to have this book. (Charge it please and thank you very much.)

An invaluable resource for working programmers, as well as a fount of useful algorithmic tools for computer scientists, astronomers, and other calendar enthusiasts, The Ultimate Edition updates and expands the previous edition to achieve more accurate results and present new calendar variants. The book now includes coverage of Unix dates, Italian time, the Akan, Icelandic, Saudi Arabian Umm al-Qura, and Babylonian calendars. There are also expanded treatments of the observational Islamic and Hebrew calendars and brief discussions of the Samaritan and Nepalese calendars. Several of the astronomical functions have been rewritten to produce more accurate results and to include calculations of moonrise and moonset. The authors frame the calendars of the world in a completely algorithmic form, allowing easy conversion among these calendars and the determination of secular and religious holidays. LISP code for all the algorithms is available in machine-readable form.

First published in 1993, The Ultimate Cigar Book has become a classic in its field, and is generally credited with having helped launch the current cigar smoking craze. It has been reprinted numerous times in the United States, and is now sold worldwide. No other book contains as much detailed and factual information on virtually every facet of cigar making and cigar smoking. And now this trendsetting been has been revised in this fourth edition for the aficionado of the future! Forget 1492. This book starts out in B. C. (Before Columbus) and transports the cigar enthusiast on a fun and fact-filled adventure into virtually every realm of today's popular and growing cigar smoking pastime. Written by one of the most knowledgeable and internationally-celebrated pipe and cigar authors of our time, Richard Carleton Hacker's well-known wit and wisdom will keep the reader enthralled with every turn of the page, as he takes you on an information-packed would tour of cigars. Starting off with a history of cigar smoking, the author then shows us how cigars are made today (handmade, handrolled, and machine made), divulges the secrets of finding the "perfect" cigar, and discusses the ritual of smoking and how to properly care for and store our cigars. From there the book lists a number of innovative cigar accessories, suggests which beers, wines, whiskeys, brandies, and cognacs go with what cigars, enlightens us with a chapter on cigar smoking celebrities, and concludes with the world's first International Compendium of virtually every cigar brand known today, complete with histories and observations on taste, according to the author's HPH (Highly Prejudiced Hacker-Scale) ratings. If that was not enough, there is even a dictionary of CigarSpeak! The Ultimate Cigar Book is the most comprehensive, factual, and up-to-date book for the cigar smoker or for those who just want to learn more about the fascinating and popular world of cigar smoking. "First published in the United States by Viridian Books, New York, 1999; first published in Great Britain by Pimlico, an imprint of Random House Group UK, 2000; first University of Minnesota Press edition published in 2004"--Title page verso.

Are you ready to learn everything you need to know about sourcing and recruitment? Then you've found the right book! Whether you are already working in recruitment, new to the industry, or just hoping to begin your career as a recruiter, there are essential strategies used by successful recruiters that will help you accelerate your career. Of course, no one is born knowing these things; they come from years of experience in the field. That's exactly what this book is: years of practical, real-world experience distilled into one comprehensive guide to succeeding in your recruiting career in the digital era. This book is designed to help recruiters gain a broad understanding of the industry while expanding and deepening the knowledge of more senior professionals. Whether you belong in the first category or the second, this book will help you take your career to the next level. This comprehensive recruitment and sourcing guide is divided into two parts. The first part focuses entirely on sourcing strategies. You'll learn new and creative ways to source and find great candidates, as well as how to uncover their contact details and approach them in a respectful and effective manner. And much more! The second part deals with recruitment. You'll learn how to excel in recruitment marketing, candidate engagement, recruitment analytics, candidate engagement, cold-calling, and efficiently manage many other essential aspects of your role. Both sections work together to create a comprehensive guide to excelling in every aspect of your recruitment career! The author, Jan Tegze, is an experienced recruiter with extensive talent acquisition expertise and demonstrated success in start-ups and fast-growth environments. In this book, he shares the most successful methods, tips, and strategies that he has learned, tested and implemented throughout his career, with the hope of providing the inspiration and guidance you need to develop into a top-performing recruiter and sourcer. Do you want to learn more about sourcing and recruiting? Do you want to gain a greater understanding of the recruitment business? Do you want to expand your knowledge and become a top-performing recruiter? Do you want to launch a career in the recruitment industry? Do you want to learn the strategies used by the most successful recruiters in the business? If you have answered "YES" to these questions, start reading this book NOW!

In this action-packed CHERUB novel, two siblings on separate special agent missions both end up in deadly danger. CHERUB agents are all seventeen and under. They wear skate tees and hemp, and look like regular kids. But they're not. They are trained professionals who are sent out on missions to spy on terrorists and international drug dealers. CHERUB agents hack into computers, bug entire houses, and download crucial documents. It is a highly dangerous job. For their safety, these agents DO NOT EXIST. James is the latest CHERUB recruit. He and his sister were recently orphaned, and James has been in a lot of trouble. But he is brilliant in math. And CHERUB needs him. After one hundred days, the grueling training period is over. But the adventure has just begun.
