

## Who Really Killed Cock Robin

The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard.

Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson--sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and "a bustling, ridiculous humanity worthy of Dickens" (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

Celebrating an activity that is companionable as well as scientific and that fosters a special bond with the natural world, Yolen presents 17 melodious evocations of particular species....A book to bring nature and poetry lovers together.- --Kirkus Reviews

"From bananas and blueberries to sixes and sevens, numbers are paired with beautiful fruit to create an exercise in counting and naming."--From source other than the Library of Congress

An epic case of mistaken identity puts a teen looking for a hookup on the run from both the FBI and a murderous cult in this compulsively readable thriller. !--EndFragment-- Finding himself alone in a posh New York City hotel room for the night, Aidan does what any red-blooded seventeen-year-old would do—tries to hook up with someone new. But that lapse in judgement leads him to a room with a dead guy and a mysterious flash drive . . . two things that spark an epic case of mistaken identity that puts Aidan on the run—from the authorities, his friends, his family, the people who are out to kill him—and especially from his own troubled past. Inspired by a Hitchcock classic, this whirlwind mistaken-identity caper has razor-sharp humor, devastating emotional stakes, and a thrilling storyline with an explosive conclusion to make this the most compelling YA novel of the year. Entertainment Weekly's Best YA Books of the Summer Seventeen Magazine's Best YA Books of the Year Goodreads Most Anticipated YA Books of the Year BuzzFeed's Best YA Summer Reads Most Anticipated Queer Books of 2019 (Hypable) Barnes & Noble's Most Anticipated LGBTQAP YAs of the year 11 New YA Books to Get Excited About (Pure Wow) 29 New LGBTQ+ YA Books To Add To Your Reading List (Pride.com) A Victorian taxidermist introduces readers to a magical world filled with rabbit schoolchildren, cigar-smoking squirrels and cats with perfect

manners.

Reconstructing the murder, investigation, trial, and aftermath, *Who Killed George Polk?* offers a penetrating analysis of the willingness of the American media - including CBS and a committee of prominent journalists headed by Walter Lippmann - to accept the government's version of events despite numerous inconsistencies. The book also explores the fate of the handful of journalists who had questioned the original coverup and shows that even when additional developments turned the official version on its head, they were no longer in a position to press for a new investigation. All had become victims of anticommunist witchhunts. Arguing that the mainstream media and U.S. government were so blinded by cold war political considerations that they overlooked the most obvious culprits for the Polk murder, Elias Vlanton proves that Polk was likely killed neither by the communists, as originally charged, nor by corrupt Greek government officials, as claimed by a recent book and a CBS 60 Minutes broadcast. Instead, based on evidence uncovered during Vlanton's nineteen-year investigation of the case, the author presents the only plausible scenario of how and why Polk was murdered.

Presupposing no prior background in Judaism or philosophy, this text surveys the history of Jewish Philosophy, from the formation of the Hebrew Scriptures to the modern age. It is intended to be used with courses in Jewish philosophy, as well as with more general courses in religious thought, Judaism and philosophy.

Citizens of Saddleboro are proud to say that theirs is the cleanest town around. So they can't ignore the mysterious death of their mascot, Cock Robin. Some people would like to blame the citizens themselves, but one boy-Tony Isidoro -- suspects there's more to the story. Tony threads his way through a maze of clues: Among other things, the town park is overrun with trillions of ants; nights are quiet because there are no frogs singing; the nearby river contains a dangerous amount of an unknown chemical; and the town dump is emitting strange fumes. What does it all add UP to? It's an eco mystery all right, and it's up to Tony to figure out who really killed Cock Robin.

Contains a synopsis, pre-reading activities, vocabulary and comprehension exercises, as well as extension activities to be used as follow-up to the novel. Includes suggestions for further reading and answer key.

An illustrated version of the English ballad relating the murder and funeral of Cock Robin.

“Fiendishly well-plotted, hugely entertaining.” —Lucy Foley, bestselling author of *The Hunting Party* In this classic whodunit filled with red herrings and double-crosses, the Queen of Crime returns in the role of sleuth as she investigates a mysterious death in the Scottish Highlands. Bestselling novelist and part-time undercover sleuth Agatha Christie is looking forward to a bit of well-deserved rest and relaxation when her longtime friend John Davison pleads with her to help him protect a retired British agent turned hotelier who has been receiving threatening letters. Together they travel to Dallach Lodge, a beautiful estate on Scotland’s picturesque Isle of Skye. There they insert themselves among the hotel’s illustrious guests, including members of the owner’s family, a leading lady of the theater, a brilliant botanist, a local doctor, and two sisters who coauthor romance novels. After a pleasant first evening, Agatha thinks it unlikely that any of them are capable of evil, much less murder. But early the next morning, the sound of a gunshot rings out and the hotel owner is found dead in the arms of his nephew. At first, it appears to be a simple hunting accident, but as Agatha digs deeper, she discovers that each and every one of the residents has a reason for wanting the late proprietor dead.

Vulpes is the smartest pup of the litter and he grows into a fast, quick-witted fox whose abilities become legend among the forest's hunters. He leads them on hopeless chases, slipping away at the last moment--then he comes face to face with the hunter who is his greatest enemy.

Frankie Bailey introduced readers to an exciting new protagonist in *The Red Queen Dies*, the first book in the Detective Hannah McCabe mystery series. Now in *What the Fly Saw*, Hannah and her partner Mike Baxter are back with an even more puzzling case. Albany, New York, January 2020 The morning after a blizzard that shut down the city, funeral director Kevin Novak is found dead in the basement of his funeral home. The arrow sticking out of his chest came from his own hunting bow. A loving husband and father and an active member of a local megachurch, Novak has no known enemies. His family and friends say he was depressed because his best friend died suddenly of a heart attack and Novak blamed himself. But what does his guilt have to do with his death? Maybe nothing, maybe a lot. The minister of the megachurch and the psychiatrist who provides counseling to church members—do either of them know more than they are saying? Detective Hannah McCabe and her partner, Mike Baxter, sort through lies and evasions to solve the riddle of Novak's death, while unanswered questions from another high-profile case, and McCabe's own suspicions make for a dynamite crime novel.

This mystery begins when Spinner, a New York City native who would rather

pirouette than fly cast, catches the family prize – – much to her boy cousins' dismay. The prize fish, a huge cutthroat trout, had been thought to be extinct in the river, and Spinner and her cousin set out to solve the mystery of how this one spectacular cutthroat survived until Spinner reeled him in. HarperCollins is pleased to republish Jean Craighead George's fourth ecological mystery, which was first published in 1975 as *Hook a Fish, Catch a Mountain*.

**The Hunters Are Coming** The story of two worlds begins on the bank of a single river. *Who Killed Cock Robin?* is the first volume in the action-packed *Calm; Decay* series. For a century, the shrouded world of Chryssus has crept upon the haven of Passerine. As a child born between these worlds, Ashra Swallow's very survival is called into question by the laws keeping the peace-seeking Passerinians safe. With nowhere to hide, Ashra is forced to flee into the murky depths of Chryssus, where more than mindless monstrosities wait for him in the dark. Who can be trusted, and what will Ashra have to leave behind in order to survive among those hungry enough to escape their shadows? *Calm; Decay* blends the mystery of urban fantasy with the horror of Lovecraftian fiction into a one-of-a-kind setting with an unforgettable cast. Choose your side, and dive into the series that will push the limits of imagination.

As a practising barrister, the Rt. Hon. Lord Justice Sedley wrote widely on legal and non-legal matters, and continued to do so after becoming a judge in 1992. This anthology contains classic articles, previously unpublished essays and lecture transcripts. To each, he has added reflections on what has transpired since or an explanation of the British legal and political context that originally prompted it. Covering the history, engineering and architecture of the justice system, their common theme relates to the author's experiences as a barrister and judge, most notably in relation to the constitutional changes which have emerged in the last twenty years in the United Kingdom.

Choose kindness with Horton the elephant and the Whos of Who-ville in this 65th Anniversary Edition of Dr. Seuss's classic picture book about caring for others! The new matte finish cover and peel-off Anniversary Sticker make it a perfect gift! A person's a person, no matter how small. Everyone's favorite elephant stars in this heartwarming and timeless story for readers of all ages. In the colorful Jungle of Nool, Horton discovers something that at first seems impossible: a tiny speck of dust contains an entire miniature world--Who-ville--complete with houses and grocery stores and even a mayor! But when no one will stand up for the Whos of Who-ville, Horton

uses his elephant-sized heart to save the day. This tale of compassion and determination proves that any person, big or small, can choose to speak out for what is right. This story showcases the very best of Dr. Seuss, from the moving message to the charming rhymes and imaginative illustrations. No bookshelf is complete without Horton and the Whos! Do you see what I mean? . . . They've proved they ARE persons, no matter how small. And their whole world was saved by the Smallest of All! Sixth-grader Liza K., one of five homeless people living in an unspoiled forest in southern Florida, searches for a missing alligator destined for official extermination and studies the delicate ecological balance keeping her outdoor home beautiful. When their teacher gives a joint storytelling assignment, a boy and a girl have different ideas of how their fairy tale should evolve. Can they agree on who will live happily ever after? With a cool motorcycle dude and a beautiful princess the possibilities are endless in this read-to-me eBook! Once upon a time there was ... a princess who loved all her beautiful ponies, a cool muscle dude who rode an awesome motorcycle. But a giant came and started stealing them! The dude came to fight the ugly, smelly giant with his mighty sword. She turned gold into thread while she cried for Buttercup, her favorite pony. And he took the princess's gold thread for payment The end! Wait a minute! That's not how it ends! Oh no? Once upon a time there was a boy and a girl who had to tell a fairy tale to the class, but they couldn't agree on the story. Will everyone live happily ever after?

The dawn chorus: a single voice cutting through the darkness heralds a breaking wave of sound at the very beginning of the day. It is an iconic natural phenomenon with many familiar performers, yet it is a mysterious event for which there is no complete explanation. A mass of starlings gathers at the end of the midwinter day. As the sun sets, wave upon wave of bodies rolls in and embarks upon another of nature's great attempts to show off. The murmuration is another much-admired spectacle, but again its purpose is obscure and defies our understanding. From dawn until dusk, birds do things that are surprising and mystifying. Songs of Love and War delves into bird behaviour and uncovers its purpose and meaning. More than just an inside look at bird behaviour, this book also represents a personal journey of discovery. What starts as a desire to learn more about the birds encountered on a regular father-and-son walk through the woods leads to a realisation that a bird's life is very far from the idyllic scene that can often be glimpsed by the casual birdwatcher. Actually a bird's life is often unusual and surprising, but above all it is brief and much darker than you might think.

They All Saw a Cat meets The Wonderful Things You Will Be in this book that redefines what it means to be a flower, what it means to be a human—what it means to be alive. Incandescent and groundbreaking, Have You Ever Seen a Flower? is a trailblazing,

enchancing portrait of the vital relationship between childhood and nature. In this deceptively simple, deeply profound story, one child experiences a flower with all five senses: from its color to its fragrance to the entire universe it evokes. *Have You Ever Seen a Flower?* takes readers on a journey of new perspectives. Looking at a flower teaches us to look at everything around us, to expand our perception, and to question what it means to see and be. This book is a beautiful exploration of perception, the environment, and our humanity. Destined to be a future classic and a family favorite on shelves alongside *Harold and the Purple Crayon* and *Where the Wild Things Are*, *Have You Ever Seen a Flower?* will be a beloved picture book for many generations to come.

- **STOP AND SMELL THE ROSES:** With the universal theme of appreciating the world around us and searching for beauty, this book reminds readers young and old about the importance of valuing the world around us.
- **MINDFULNESS:** In simple, approachable, playful language, this book encourages readers to be completely present in every single detail of their every experience.
- **WILL MAKE KIDS THINK:** Perception and perspective, nature and environment, beauty, appreciation, imagination, and possibilities are just a few of the many themes in this book, making every read a new discovery.
- **READ-ALOUD:** This book is perfect for the lap, classroom, or library reading circle, with thought-provoking questions to be asked aloud throughout the book and themes that invite discussion and conversation at every reading level. Perfect for:

- Anyone looking for a picture book that demonstrates the power of imagination and perspective
- Families looking for a lighthearted but deep read-aloud
- Design-minded families
- For fans of *The Little Prince*, *The Giving Tree*, *Not a Box*, and *The Very Hungry Caterpillar*
- Booksellers looking for a profound and fun picture book that's also eye candy
- Teachers and librarians
- Nature-loving or outdoorsy families

“The best book on The Who. Stanfield understands that they were built entirely around opposition—they didn't want to be The Beatles or The Stones; they didn't even want to be The Who most of the time. He smartly states the case for peak Who as transgressive . . . the closest thing to Pop art British music has ever produced.”—Bob Stanley, author of *Yeah Yeah Yeah: The Story of Modern Pop* “With impressive eloquence, *A Band with Built-In Hate* situates '60s Britain's most volatile and incendiary group at the heart of pop's wild vortex. . . . Stanfield digs brilliantly into The Who's transgressions, their up-ending of pop music into art-rock and proto-punk. He can see for miles.”—Barney Hoskyns, author of *Major Dudes: A Steely Dan Companion* and creator of *Rock's Backpages* “Ours is music with built-in hatred.”—Pete Townshend, cofounder of the Who This book is a biography of the Who unlike any other. From their inception as the Detours in the mid-sixties, to the late seventies, post-Quadrophenia, the Who are pictured through the prism of pop art and the radical leveling of high and low culture that it brought about—a drama that was consciously and aggressively performed by the band. Peter Stanfield lays down a path through the British pop revolution, its attitude and style, as it was uniquely embodied by the band: first, under the mentorship of arch-mod Peter Meaden, as they learned their trade in the pubs and halls of suburban London; and then with Kit Lambert and Chris Stamp, two aspiring filmmakers, at the very center of things in Soho. Guided by the concerns of contemporary commentators—among them George Melly, Lawrence

Alloway, and, most conspicuously, Nik Cohn—Stanfield tells the story of a band driven by fury, and of what happened when Pete Townshend, Roger Daltrey, Keith Moon, and John Entwistle moved from backroom stages to international arenas, from explosive 45s to expansive concept albums. Above all, he tells of how the Who confronted their lost youth as it was echoed in punk.

Summary: Two ecology-conscious children try to trace the imbalances in the environment that might have caused the death of the town's best-known robin.

"Title and series from front cover; imprint from colophon, back cover. The firm was first called Raphael Tuck & Sons, Ltd. in 1895; cf. Blair and Margaret Whitton, *Collector's guide to Raphael Tuck & Sons* (1991), p. 6. "Publishers to Her Majesty the Queen."--back cover. Queen Victoria died in 1901. Has trademark of Raphael Tuck & Sons on back cover consisting of an easel bearing the initials "RTS," and a palette below it with the sign, "artistic series," and the inventory number 3673."

In an ecological mystery, twelve-year-old Maggie, who lives with her parents at the Biological Research Center, tries, with the help of young computer genius Mitch, to figure out what is killing her fire bugs. Reprint.

From the most celebrated children's nature writer of our time comes a posthumous new novel in the tradition of her Newbery award-winning *Julie of the Wolves*. In 1848, a young boy witnesses a rare sight—the birth of a bowhead, or ice whale, he calls Siku. Years later, he unwittingly brings about the death of an entire pod of whales, and only Siku survives. For this act, the boy receives a curse of banishment. Through the generations, this curse is handed down: Siku returns year after year, in reality and dreams, to haunt the boy's descendants. Told in alternating voices, both human and whale, Jean Craighead George's last novel shows the interconnectedness of humankind and the animals they depend on.

"It's a bold, wistful, and heartfelt coda to a distinguished career."—*School Library Journal*

An entertaining and enlightening compendium at the intersection of two great British folk traditions: song and encounters with the law. At the heart of traditional songs rest the concerns of ordinary people. And folk throughout the centuries have found themselves entangled with the law: abiding by it, breaking it, and being caught and punished by it.

*Who Killed Cock Robin?* is an anthology of just such songs compiled by one of Britain's most senior judges, Stephen Sedley, and best-loved folk singers, Martin Carthy. The songs collected here are drawn from manuscripts, broadsides, and oral tradition. They are grouped according to the various categories of crime and punishment, from Poaching to the Gallows. Each section contains a historical introduction, and every song is presented with a melody, lyrics, and an illuminating commentary that explores its origins and sources. Together, they present unique, sometimes comic, often tragic, and always colorful insight into the past, while preserving an important body of song for future generations.
